Neighbourhood Plan – Next Steps – Public Meeting

Andie Hallihan, 07976 740 626. andrew.hallihan@thestukeleys-pc.gov.uk

Following the article in the February edition, I wanted to update and invite readers to meetings to support the preparation of the Neighbourhood Plan.

There are many developments within the emerging HDC Local Plan that will affect the Parish out to 2036 and beyond – including Alconbury Weald, Grange Farm, housing to both east and west of Ermine Street, re-alignment of the A141 and the Country Park.

You are invited to the Public Meeting to be held to communicate and organise the Parish Forum to support the development of the Neighbourhood Plan.

The Public Meeting will cover:

1. A summary of the major developments in and around the Parish, with initial responses invited and noted.
2. Explanation of the process for making the Neighbourhood Plan.
3. Invitation to the Groups needed to supporting making the Neighbourhood Plan.

We will be establishing two groups to give the widest opportunity for Parishioners to get involved in making the Neighbourhood Plan:

1. Neighbourhood Plan Forum Team – which will focus on preparing the plan including research, analysis and preparation of reports.
2. Neighbourhood Plan Consultation Group – whose members will meet to review progress with the Forum Team to provide the widest range of perspectives to allow the Plan to reflect the different interests across the Parish.

The meeting will be held at the Alconbury Weald Club (Room 4) on Saturday 13th April 2-4pm and repeated on Monday 15th April 7-9pm.

I look forward to meeting you at whichever time is best for you. Please contact me in advance, or Michael Monk or any of the Parish Councillors if you have any questions.

My Apologies to Michael and the Heritage Group

Please accept my apologies to Michael and the Members of the Heritage Group.

I'm sorry but the Heritage Group report was omitted from the March Stukeleys Parish Magazine. Quite how I managed to omit it I'm not sure because I remember reading it.

Below is the report for April which contains the relevant information from the March report.

Martyn Fox
Editor

The Stukeleys Heritage Group

Being concerned for some time that the Committee Room in Great Stukeley Village Hall is a bit too small for us and that some people have had very limited views of screen presentations, we have taken a gamble with the extra costs and booked the Main Hall for our meetings.

The programme for the rest of the year:

15th May Dr Pat Doody - the importance of Portholme Meadow

17th July Mark Egerton - Royal and Regal ghosts in Huntingdonshire

18th September - annual outing, either Colchester or Cromer - I'll take soundings from people to see which seems the more popular.

20th November - tba

I'm also conscious that we were thinking of an informal outing to Flag Fen following up on Hazel Perry's fascinating talk on the subject last year. I'll look for a date in and around April/May/June.

A reminder that subscriptions for 2019 are now due and are needed if we are going to continue. It remains at just £5.00 a year and means we can book the hall and pay speakers' fees and expenses.

Finally, please bear in mind that our meetings are open to all, regardless of membership - or not.

NEW: ROYAL BOTANTICAL GARDENS, KEW **Tuesday 21st May 2019**

With its seemingly endless glass panes and 10,000 exotic plants *The Temperate House* is a botanists' paradise and the place that Sir David Attenborough escaped to when life was "getting him down".

On Saturday 5th May 2018 after a five year (2013-2018) restoration costing £41 million the refurbished *Temperate House* was opened at *Kew Gardens*. The Grade 1 listed building is the worlds' biggest Victorian glasshouse. The restoration saw the ironwork stripped back and touched up with 5,280 liters of paint and 15,000 panes of glass were removed and replaced by a workforce of more than 400. The *Temperate House* is the length of a Boeing 747 and 110 miles of scaffolding were used in the renovation, equivalent to the length of the M25. The *Temperate House* has now been restored to its former glory and is a glistening cathedral where the new glass allows the sun to stream in. The *Temperate House* is home to some of the rarest and most threatened plants in the world .Some 1,500 species are on display and three plant species ,which are extinct in the wild ,are housed here.

This day trip on Tuesday 21st May 2019 offers the terrific opportunity to see one of the Country's' treasures and a *UNESCO World Heritage site*. Please contact me as soon as possible if you would like to join my trip to *KEW GARDENS* as there are now **ONLY A FEW PLACES AVAILABLE**.

The price per person is £46.50. This includes your coach trip to and from London, **MORNING REFRESHMENTS**, the full cost of the Hop-on/Hop-off Kew Explorer, a circular train which visits **ALL PARTS** of *Kew Gardens* and a tip for our coach driver.

NEW: "DON'T PANIC" ...A TRIBUTE TO DADS' ARMY **Tuesday 22nd October 2019**

"Don't 'Tell him your name, PIKE!": I am organizing a visit to the *Tereza Joanne*-a boat moored in the *King George V Dock* within London's Royal Docks on Tuesday 22nd October 2019 to see the super new **DAD'S ARMY** show.

We will be departing from the Great Stukeley, Village Hall **PROMPTLY** at 2.15pm to make it to the *Tereza Joanne*. There we will see the hilarious new **DAD'S ARMY** show and have a supper of *Steak Pie* and *Mash* with traditional liquor or gravy (a vegetarian option is available) and a nice cup of tea.

I have been able to secure a terrific 23 percent discount. So, the all-in price for the coach there and back, a tip for the driver, the super show and meal is just £49.90 per person. The *Tereza Joanne* is permanently moored in the *King George V Dock* close to London City Airport. The last time I took a group to the *Tereza Joanne* in March 2016 we were spoilt with a fantastic full English breakfast and a number of people have asked about a return trip!

If this event is of interest, PLEASE LET ME KNOW WITHOUT DELAY as the trip is VERY LIMITED IN NUMBERS. Please note that your reservation(s) for this terrific show are accepted by me in GOOD FAITH. Therefore, I expect you to FOLLOW THROUGH WITH FULL PAYMENT as I will purchase these tickets JUST FOR YOU. Your understanding is very much appreciated.

NEW: THURSFORD'S CHRISTMAS SPECTACULAR
Sunday 17th November 2019

In April *Thursford* receives an amazing response to their advertisements from many of the most talented artists-musicians, dancers and singers-in the country. The magnetism of *Thursford* within these professions is unbelievably strong and a place in the show is highly prized.

Thursford has over six hundred (600) applications for places in the show and they are all processed by their London management team who scrutinize every CV before arranging auditions in May and June.

On Tuesday 13th February 2019 my fifty (50) ordered tickets arrived safely in the post. Thanks to Barrie's patience and knowhow we have been able to obtain *Super Seating* for the 2pm matinee on Sunday 17th November 2019 for this year's *Christmas Spectacular*.

Our *Stall* seat allocations, which are *Superbly Positioned* for this year, are in seat numbers 16 through 29 in rows D, E, F & G.

Our coach will arrive at 09.45am for a PROMPT departure from the Great Stukeley Village Hall at 10.am.

Our estimated time of arrival at *Thursford* is 12.15pm which will give everyone enough time for lunch or to buy a sandwich before the show begins PROMPTLY at 2pm.

Update from Alconbury Weald

It's been a busy start to the year at Alconbury Weald and we're looking forward to a dynamic 2019!

Alconbury Weald: Next steps

December saw a series of drop-in events to discuss the next key stages of development with residents of Alconbury Weald and the Stukeleys, which included:

- a new secondary school and special needs school to meet future education needs
- connections through Grange Farm to link Alconbury Weald to the A141 – with prioritised bus and cycle connections to the new station, and a new road
- a Country Park area – between the Stukeleys and the new development – with wooded and open green space on Grange Farm
- the next phases of housing and facilities.

With the new Local Plan identifying the potential for up to an additional 1,500 homes at Alconbury Weald, alongside the 5,000 already planned, these events also explored future expansion options.

You can download the display boards from the Alconbury Weald website and there will be full details in the next Alconbury Weald newsletter. Further engagement will follow over the next few months as the plans progress with the next exhibitions expected in April: watch this space for more details.

More information in the displays section of www.alconbury-weald.co.uk/library

The Café: new opening times

Following the success of a late-night Christmas café trial in December and Saturday opening in February, The Café in the Club building will be extending its opening hours to include brunch every Saturday from 9am to 1pm, alongside its Monday to Friday hours. It will also be trialling one evening a month - from 7pm to 11pm - for local residents to catch up and enjoy a sociable evening with their neighbours. A range of food and drink will be sold, including alcoholic beverages. More information at www.alconbury-weald.co.uk/cafe

Jobs and Skills update

Housebuilders and construction and infrastructure contractors from across the county are working with the Urban&Civic team to progress the formation of a Construction Skills Hub at Alconbury Weald, funded by the Construction Industry Training Board (CITB). The Hub will be part of the existing EDGE jobs brokerage in Huntingdonshire, which U&C run with partners to provide a one-stop shop to help local people get into work with construction companies and businesses on Alconbury Weald's growing Enterprise Zone.

The CITB funded training hub which is launching in April has been designed to directly support people looking to get into the construction industry and will focus on ex-service personnel and long term unemployed, as well as providing an opportunity for those who have not thought about a career in construction to try taster sessions, work placements and introductory training courses. The approach will offer classroom training alongside on the job experience in a specially designed construction skills hub, which sits close to the live sites of the 4 housebuilders currently on site at Alconbury Weald. More information will come forward in the next few weeks, but if you are interested in registering with EDGE for support to find work on site or in the local area please contact the team on 01480 435654 or email info@sharperskills.co.uk.

SCAM WARNING

Fake TV Licensing emails

An ongoing TV Licensing phishing campaign, first identified by the National Fraud Intelligence Bureau (NFIB) in September 2018, continues to be reported to Action Fraud in high numbers. Fraudsters are sending the public fake TV Licensing emails that are designed to steal their personal and financial information. Since April 2018, Action Fraud has received over 900 crime reports with victim losses totalling more than £830,000.

How you can protect yourself:

- Don't click on the links or attachments in suspicious emails and never respond to messages that ask for your personal or financial details.
- Don't assume a phone call or email is authentic, even if someone knows your basic details (such as your name or address). Remember, criminals can spoof phone numbers and email addresses to appear as companies you know and trust, such as TV Licensing.
- Your bank will never call and ask you for your PIN, full banking password, or ask you to transfer money out of your account.

What to do if you've fallen victim:

- Let your bank know as soon as possible and monitor your bank statements regularly for any unusual activity.
- If you suspect your identity may have been stolen you can check your credit file quickly and easily online. Use a reputable service provider and follow up on any unexpected or suspicious results.
- If you have been a victim of fraud or cyber crime, report it to Action Fraud at **actionfraud.police.uk**, or by calling 0300 123 2040.

Twitter account launched for rural crime team

Creating a safer
Cambridgeshire

THE CAMBRIDGESHIRE Rural Crime Action Team (RCAT) has launched a new Twitter account in order to better engage with rural communities in the county.

The social network will be used to promote the brilliant work the team does to keep rural areas of Cambridgeshire safe and enable officers to engage directly with those interested in rural crime.

PC Sam Thompson, from RCAT, said: "The feedback from our rural communities is they want to hear about our successes, updates and advice, however they are not necessarily interested in what's going on in the more urban areas of the county, just matters which directly affect them as a rural resident or business owner.

"Cambridgeshire is largely a rural county, there is an appetite for seeing more rural policing and by creating this account it allows us to engage with the audience who most relate to the work we do."

You can find the account on Twitter by following @CambsRuralCops and, also searching the hashtag #RCAT.

Please note the Twitter account is not a means for reporting crime and will not be monitored 24/7. If you have any information on incidents or need to report a crime please visit www.cambs.police.uk/report or call 101. In an emergency where life is in danger or a crime is in action always dial 999.
