Stukeleys Parish Council [SPC] Update March 2020

Finance Report

| | 2019/20 | 2020/21 |
|------------------------------------|-----------|-----------|
| Council Tax Village Precept | £46157.00 | £53362.00 |
| Number of Band `D` Properties | 654 | 864 |
| Band `D` Charge [to cover precept] | £70.58 | £61.76 |

It was agreed that a rolling fund of £10.000 should be put aside for minor road repairs that are not considered essential by the Highways Dept. This work to be carried out by Highways Dept. contractors and paid for from this fund.

Both villages have been recipients of ongoing Community Infrastructure Levy [CIL] funded projects, some of the most recent being the re sanding, sealing and marking out of a Badminton court in Great Stukeley [GS] village hall and the resurfacing of the footpath leading from Church Way Little Stukeley[LS].

From March we will see new grass cutting contractors in the villages. The contract was put out to tender and local company BEAM have been appointed for the next three years to cut and maintain verges, play areas and church yards.

A speed table has been proposed on the entrance to GS heading North and before the remodelled junction at Church Way and Ermine St. also a new gateway features, like those in the Alconbury's, are to be installed at either end of both villages. Costs to be shared equally between Urban and Civic [U&C] and SPC.

SPC are aware of the concerns of some motorists regarding the new traffic layout but feel that, if signs and road markings are correctly observed, there should be now issues. Similar junctions are in use locally in for example Caxton Village and Upwood Rd in Ramsey.

The Neighbourhood Plan remains on the agenda, SPC now has a proposal to outsource the Project Managers position to expediate the process.

Great Stukeley Flower, Garden & Craft Show 2020

Saturday 1st August

The committee had our first meeting of the year and decided on the changes for this year's schedule.

Which should be with you by the end of April, one new edition this year is Something made from recycled jeans in the Arts & Crafts section.

So, firstly we are seeking gardens to enter the **Best Spring Garden** competition entry is free. So anyone interested in entering please don't hesitate in getting in touch. You can contact me on **07835630559** or Sylvia Reynolds on **01480 458442**. Judging for the Best Spring Garden will take place in mid-April (or earlier depending on weather). To clarify on who can enter their garden, ideally the garden should be your own work. But we understand some people need some help in their garden i.e lawn cutting or hedge cutting due to health or age. All we ask is that you make us aware when entering, and also when your garden is being judged. If you have any questions please don't hesitate to get in touch.

Little Stukeley Quiz Night on 7th March

Letter to the Chairman of the Stukeleys Parish Council

Dear Terry,

As a result of my letter in the Parish Magazine about the dangerous junction of the South end of Church Road and Ermine Street several people have approached me, expressing their concern. The general opinion is that a meeting would be the best way to proceed at which our County Councillor, and the Highways Authority should be invited to be present. The Highway Authority should be required to divulge the number of collisions .

Several people have mentioned hair raising near misses, apart from actual collisions.

May I ask you to kindly call such a meeting. No doubt it could take place at the beginning of a Parish Council Meeting or whenever else you suggest. I am copying in two local residents who have been in touch. I look forward to hearing from you,

Regards,
Philip Hobson.

Letter to the Editor

Hi Martyn,

I hope I find you well.

I read with great interest my learned Friend Philip Hobson comments in the last issue, I would however venture that the measures taken were primarily in order to dissuade motorists from using the route and encourage travel on the A.14 spur, I do agree that the southern junction at Great Stukeley does pose significant danger aspects, not helped by the high nature of the adjacent hedge at the entrance to Church Road making it a 'blind' corner, but one wonders whether increased signage will have the desired effect, in my experience you can erect all the signs you like, but whether anyone will follow them is debatable!! For example, there are adequate signs at both ends of the C.339 showing there is a seven-ton limit apart from access along the road through our villages. Last summer Margaret and I followed a huge low loader through the villages, reported registration number to the police, they said investigation revealed a hire lorry so driver not traceable, not enough resources to investigate further. Just prior to Christmas we followed a police vehicle through the villages who in turn was following a large articulated lorry, they followed all the way to the new base entrance where they turned off leaving the HGV to continue on his way!! Only last week I met a fully laden car transporter travelling from the north through the villages, and this morning we were met by a huge livestock transporter advancing through the village of Little Stukeley. The annoying point is the police always say they have insufficient resources to monitor the C.339, but interestingly they seem to have sufficient resources to sit on the Low Road Flyover for hours on a weekly basis in their efforts to try and nab unsuspecting motorists for speeding, that effort is so obviously far more 'rewarding' !!

Parish and Town Council Colleagues

I know that people are concerned about news reports on the spread of Covid-19 – or Coronavirus. This continues to be a fast-moving issue, which is being carefully monitored by Public Health England (PHE) with the current impact and risk to the UK population considered moderate.

However, there are some really simple steps we can all take to get into good habits to protect ourselves and others to stop the spread of viruses and germs including Coronavirus.

These include:

- Wash your hands more often than usual, for 20 seconds, and use soap and hot water.
- Particularly remember to wash your hands after coughing, sneezing and blowing your nose, or after being in public areas or travelling on public transport.
- Promote the [Catch it, Bin it, Kill it](#) We can all reduce the spread of all germs when we cough or sneeze, by covering mouths and noses with a tissue, or a sleeve (not your hands) if you don't have a tissue, and throw the tissue away immediately in a closed bin
- Keep up to date with information from trusted sources – like these:
 - Public Health England - https://publichealthmatters.blog.gov.uk/2020/03/04/coronavirus-covid-19-5-things-you-can-do-to-protect-yourself-and-your-community/?utm_medium=email&utm_source=govdelivery
 - For updates see the https://www.nhs.uk/conditions/coronavirus-covid-19/?utm_medium=email&utm_source=govdelivery

We have also attached a link below with the new Public Health England campaign materials to share with your communities. We will keep you updated as this situation begins to develop.

My kind regards,

Dr. Liz Robin

GRACE FELLOWSHIP BAPTIST CHURCH

GOD LOVES YOU AND SO DO WE

SUNDAY WORSHIP @ 11 AM

We are an international group of believers worshipping Jesus together. We might be small, but we have big hearts for Jesus. Our mission is to Glorify God, Transform our Community, and Reach the World with the Gospel of Jesus Christ. We believe that God has called us to love Him and to love one another. If you are looking for a church home, or just somewhere to worship on Sunday, we hope to see you. If you need more information, please check out our website @ gfgg-baptist.org.

The second Saturday of each month we host a men's fellowship breakfast. Please join us for a meal, discussion, and time of fellowship.

If there is any way we can help of if you need to speak to someone please call Pastor Eric Gren at 01832 293143 or email at egren921@gmail.com.
