Cllr S Smith in her role as a HDC Cllr reported that the site recognised in Lt Stukeley for nine socially available houses is one site of thirteen and yet to be confirmed.

Cllr T Close all four Electronic Speed signs have been installed and are working correctly, Cllr S Burton requested that the sign located to the North of Gt Stukeley be relocated to a position near the junction with Owl End As advised at the February SPC meeting the Stukeley's pocket park project has been confirmed and validated by HDC and remains with HDC planning dept. **The Council urges that anyone who is in support of this application should contact Huntingdon District Council quoting reference 21/02824/FUL. as speedily as possible.**

Report and update on Neighbourhood plan.

Cllr S Burton advised the draft plan of the neighbourhood plan is ready. There are a few amendments that need to be completed and then it will be ready to be put to public consultation via the PC website, PC magazine and the village hall will be open on a set date for the residents to raise their comments. He advised the timescale for this consultation will be 6 weeks. He advised after the public consultation it will go to the examiner and then to a public referendum. If there are no issues, then the neighbourhood plan will be ready in December 2022 at the latest. (Cllr S Burton proposed and Cllr T Close seconded and all were in favour that the neighbourhood plan would be put to public consultation via the website, PC magazine and village hall once the amendments have been completed.)

As agreed at the February SPC meeting that SPC will make an application to HDC for two dog poo bins one to be cited near the allotments at Gt Stukeley the other on Low Road Lt Stukeley, it was pointed out by the Chairman that there is a considerable cost in the supply and maintenance of these amenities and hopes once in place that they will be used as intended by all dog walkers.

District Council / Town & Parish Council combined elections – 5th May 2022.

The clerk advised if all members of the council to fill in their nomination papers by 28th March

The Clerk was requested to get in touch with the Ermine Street Academy regarding the use of their meeting room as a third venue for holding SPC meeting,

The Queens Platinum Jubilee Celebration. Any members of the public or organisations within the parish that may have or know of plans for the celebrations are welcome to make those known to the SPC.

Date and Venue of next PC meeting.

Great Stukeley Village Hall, 4th April 2022 @ 19:15.

The Stukeleys Pocket Park Project.

Anyone who is in support of this application may contact Huntingdon District Council quoting reference 21/02824/FUL.

The SPC urge members of the public to take this opportunity to help move this forward as speedily as possible.

A Better Recreation Facility for Great Stukeley

It would be really helpful if those residents of Great Stukeley who are keen to see the creation of a proper community park on the playing field in the village, as proposed by the Parish Council, would send into the Huntingdon District Council comments of support.

Sport England are likely to make a formal objection because it involved the loss of the full-sized football pitch so it's important that the local community shows that this is actually a better alternative for all of us.

You can write to the planning department at Pathfinder House, or make a comment in support online. Go to the planning applications page of HDC's website and use planning application reference 21/02824/FUL. Don't let's lose this opportunity by default.

Road Layout

As I get older, I now appreciate there is knowledge that I possess that I ought to relate in print. It has come to my knowledge that on information gathered from a resident at the Lodge that the dangerous condition of the remaining Willow trees is a contentious issue, I am told that none of, The District Council, the Water Board or farm owners Agri- Reserves accept any responsibility for dealing with them, thus I now relate their history and origin as possibly the only remaining person with that relevant information.

In 1963 after leaving agricultural college, I started work at Nook Farm as a trainee farms manager for the then owner Edward Grindley, I became a member of the team of eight workers on the mixed farm. In the winter of 1963/64 Mr Grindley informed staff that he had entered a scheme to produce Willow for the manufacture of cricket bats, to this end some 400 willow saplings were received, these being at least ten foot tall but with no root system, having said that given moisture the willow will strike very quickly. These were to be planted on the dyke banks from beside 70 Low Road all the way down to its junction with the Alconbury Brook and then all along the Nook Farm boundary to the brook right up to its boundary with the racecourse all at a 11/14-meter distance apart. For this task we were provided with new chain saw for removal of all existing dead and diseased willows and a post hole borer to plant new units. This took the team up to three months as there was an immense amount of dead and rotten timber to be cleared and burnt. Mr. Grindley told us this scheme was under the jurisdiction of the old Huntingdon Rural District Council and would be for a period of 25 years, when they would be felled for cricket bat manufacture and then new saplings planted. Sadly in 1972 the Grindley family decided to sell up and move to Australia to start farming over there. The farm was the sold to the Field Family and subsequently to M/s Agri-Reserves the present owners.

We now find ourselves in the difficult situation that now the trees are in a dangerous condition, and no one accepts responsibility, they are regularly falling, blocking Low Road and in my opinion causing a danger to life to those who regularly use the road for access or leisure and exercise, even though a local sage informs me they always fall during the night!!

Whilst I totally accept that Agri-Reserves may have no legal obligation of responsibility, I would sincerely hope that considering a previous owner of the land planted the trees, they would as a gesture of goodwill to the community of Little Stukeley would ensure the safety of residents and road users by removing these trees at their earliest convenience, also I would respectfully add, that pushing fallen trees and branches into the adjacent water course really serves no useful purpose at all!!

Dear Sir/Madam

No Mow May

I am writing to you as your parish cut the grass along the highway verges on Cambridgeshire County Councils behalf.

Last year 2021 we adopted a new verge management policy. As part of the development of this policy we worked with the organisation Plantlife.

<https://www.plantlife.org.uk/uk>.

Plantlife are again running the No Mow May campaign and this letter is to inform you that Cambridgeshire Highways are supporting the campaign and will not be cutting any highway verges during the month of May, we would also like to encourage you to read the details of the campaign and lend your support to it.

<https://www.plantlife.org.uk/uk/discover-wild-plants-nature/no-mow-may>

Supporting the campaign should not compromise any safety concerns you may have, and Cambridgeshire Highways will cut junctions should there be a safety requirement to do so.

It would also be appreciated if you could confirm if you are able to support the campaign so we can feedback to our contacts at Plantlife.

Yours sincerely

Church services for April 2022

Where is God in all of this? I don't suppose I'm the only person shouting at the news images we've been seeing recently? If there is a God, why doesn't he come and sort it out? War and suffering was never part of God's plan. There's not enough space here to talk further, but if you want to – why don't we spend an evening in the Country Hotel, or elsewhere, chatting over some of those questions.

What we do have is a God who gets down in the mess with us. Holy Week reminds us that Jesus was born in an occupied country, with capricious leaders doing anything for their version of the story to be remembered. In Holy Week, we remember that Jesus walked willingly into the middle of this, out of love, and was killed. Christians believe that Easter Day is the triumph of love over death and evil. Come and find out more.
