The Stukeleys Parish Council

met on 1 July 2019

Parish Council welcomed a new Councillor Ben Parkyn to The Stukeleys Parish Council

Please note that there is a public session at the start of each meeting

The Stukeleys Parish Council discussed these planning consultations:

- 1) Listed building consent for internal and external works, demolition of boiler house outbuilding and ancillary works (amendments to listed building consent 17/00435/LBC). Site Address: Watch Office And Operations Room Alconbury Airfield Ermine Street Reference: 19/01036/LBC
Parish Council Recommended Approval.
- 2) Single storey rear extension Site Address: 3 Camoys Close Great Stukeley Huntingdon Reference: 19/00967/HHFUL
No comments.
- 3) Construction of single storey side and rear extensions to provide an annexe for a wheelchair user Site Address: 32 Church Road Great Stukeley Huntingdon Reference: 18/01316/HHFUL
Parish Council Recommended Approval.

The following planning submissions made to Huntingdonshire District Council by Alconbury Weald:

- Section 73 amendment application
- Country Park Key Phase
- Grange Farm Outline

Therefore, the Stukeleys Parish Council will be convening a series of planning group meetings over the summer holidays and into September to discuss each application. Parish Council already sought an extension of time for its comments (from HDC) to enable all 3 applications to be considered at the Oct meeting.

It was also noted that Bloor Development (1100 properties) in Huntingdon Town boundary and Savills (500 properties) planned to be built in Parish Boundary. Huntingdon Town Council arranged the meeting with The Stukeleys Parish Council to discuss the joint ideas.

Please note that the full set of Parish Council Minutes is displayed in both Village Halls, on the Notice Boards in both villages and on the Parish Council Website. A hard copy of the Minutes can be obtained either at the Parish Council Meeting or on the request from

Ramune Mimiene, Clerk or Martyn Fox, the Editor of this newsletter.

Note: List of Parish Council Meeting days is set below (please note Parish Council do not usually meet in January and August, but please be aware that there might be extraordinary PC Meetings during these periods).

The Great Planning Betrayal of The Stukeleys

In 2014, just five years ago, Huntingdonshire District Council granted outline planning permission on the former Alconbury Airfield for some 5,000 new dwellings and 8,000 jobs. The planning application had received remarkably few major objections; most local people saw the sense of making good use of a site already damaged by military development but they were also influenced by the promise in the masterplan of large scale open space which would keep the proposed development separate from Huntingdon and the villages of Great and Little Stukeley.

The District Council's latest Local Plan proposes a further 1,500 homes on the Alconbury Weald site, "subject to capacity". This has now been translated into a planning application by Urban&Civic, the developers of the site, which would lead to a reduction in size of that open space, so that its effective area is less than half that originally put forward and, crucially, would not maintain separation between Huntingdon and Alconbury Weald, so that you would have no idea as to which of those places you were in or where one began and the other ended. There would be a continuous sprawl of development starting in the south at Huntingdon town centre and running north-westwards for some 5 to 6 miles.

The concept of Alconbury Weald being a new separate community with an individual identity would be lost in this suburban sprawl. Those of us who supported the original concept saw Alconbury Weald as another Brampton or Godmanchester - individual places, not part of Huntingdon and clearly separate from the town although using some of the town's services and facilities. This concept, respecting the character of the Huntingdon area, would be lost if these plans go through.

It has been suggested by some that the new Local Plan protects The Stukeleys. Well, it's worth reflecting on the scale of what is proposed:

On Alconbury Weald and Grange Farm - 6,500 homes

On RAF Alconbury - 1,680 homes

On land off Ermine Street south of Great Stukeley - 1,440 homes.

That is a total of nearly 10,000 houses within and immediately adjacent to the Parish. Note that this is likely to be **22,000 people** - compare this with the population of Huntingdon at the last census in 2011- only slightly more at 23,732.

Whilst having the Local Plan in place might protect the wider District, it is stretching the point to suggest that the Parish of the Stukeleys is "protected" by cramming so much development into one location and by offering a much-diminished rump of a country park.

The good folk of The Stukeleys should indeed feel that they have been betrayed by broken promises.

Council Launches Review of Polling Districts and Polling Stations

Comments are being sought from residents and interested groups on a review of the existing polling districts and polling places situated within the Huntingdonshire area.

The District Council is looking for feedback on any aspect of polling districts and/or polling places currently used and invites representation and comments from interested persons, especially from an access point of view.

There is a requirement for the District Council to complete a full review of all polling district and polling places every five years, to make sure arrangements are as convenient as possible for any future elections or referendums.

Jo Lancaster, Managing Director and Returning Officer for the District Council said “We’re asking community groups and individuals to provide as much information as they can about their current polling station, including issues such as location, parking and disability access and whether they are aware of any other suitable premises that could be used for polling duties.”

The closing date for comments is 14th August 2019.

The feedback received will inform the final recommendations which will be presented to the Council in October 2019.

Details of the current arrangements and how you can comment on them can be found at www.huntingdonshire.gov.uk/pollingdistrictreview

**ST BARTHOLOMEWS CHURCH EXHIBITION
AS PART OF THE OPEN GARDENS WEEKEND**

St. Bartholomew's Church was open during the open gardens weekend, and Ann Monk organised a display of fifteen wedding dresses which spanned the decades from the 1930's to the 2010's. Many of the dresses on display were from weddings that had taken place in the church. There was also a lone Scotsman waiting for his bride to appear!

The Heritage Group arranged a display of wedding photographs showing weddings from the 1890's to the present day.

Very many thanks to all those who lent wedding dresses and photographs.

Beautiful flower arrangements were on display, tea and cake were served, and wedding music was playing in the background. Many willing volunteers helped before and during the weekend, and there was a steady stream of enthusiastic visitors who enjoyed spending time in the church.

Thank you to our Great Volunteers

A great team of volunteers worked hard on a warm Wednesday July morning to tidy the churchyard and pavements prior to the open gardens weekend in the village. This is something they do two or three times a year and is usually organised by Mick Reynolds.

In the afternoon another group of volunteers worked hard to clean the church in preparation for the open weekend. They clean the church on the first Wednesday afternoon of every month (and more volunteers would always be very welcome)!

Not all of the volunteers are church goers, but all are very generous with their time and take pride in looking after the church and churchyard. Their work is appreciated by so many of us, and we thank them all very much.

The churchyard volunteers were Grahame Bundy, Michael Monk, David Silsby, Trevor Waldock, Peter Jones, David Philips, Henry Oldfield, Mick Reynolds and Wesley Ingle (not in photograph).

The church cleaning volunteers were Jan Sly, Sylvia Reynolds, Ann Monk, Sue Jones, Nita Charter and Eric Charter.

DON'T PANIC...DAD'S ARMY SUPPER SHOW

Tuesday 22nd October 2019

Nearly thirty (30) people have already signed up for this amazing show!

On Tuesday 22nd October 2019 we will be departing from the Great Stukeley Village Hall PROMPTLY at 2.15pm to travel by coach to the *Royal Docks* to attend the show which promises to be "*Soldiers of hilarity with an Army of jokes*". You will be fighting back the laughter while enjoying a delicious evening supper of a meat or vegetarian pie and mash followed by "a nice cup of tea".

The characters of DAD'S ARMY and their catchphrases are VERY WELL known in the UK due to the popularity of the series when originally shown and frequently repeated.

Jimmy Perry, one of the writers, recalls that before writing the sitcom the *Home Guard* was a largely forgotten aspect of Britain's defences in the Second World War-something which the series rectified.

In a 1972 *Radio Times* interview Arthur Lowe (Captain Mannerling) expressed surprise at the programme's great success. "*We expected the show would have limited appeal to the age group that lived through the war and the Home Guard. However, we did not expect that children from the age of five upwards would enjoy it too*".

On arrival at the *Tereza Joanne* my group will be seated at round tables to give everyone a great view. Around 5pm supper will be served giving you enough time to organize your drinks. This wonderfully funny show begins at 6.30pm ending at 8.30pm.

As I go to press, we have just FOUR (4) tickets left at just £ 49.90 per person. The cover price includes your coach journey to and from London, the super show, your evening supper and a tip for our coach driver.

PLEASE CALL ME SOON if you would like to purchase any of the remaining FOUR (4) tickets for this incredible evening.

THURSFORD'S CHRISTMAS SPECTACULAR 2019

Sunday 17th November 2019

OUR CHRISTMAS CHARITY DONATION

In August lorry loads of Christmas stock arrived at THURSFORD situated near Fakenham in Norfolk. THURSFORD stocks 11,000 different items in their gift shops of which 7 to 8,000 are Christmas themed. It is incredible how dear old Father Christmas can come in so many shapes and sizes-he is round, small, tall, short, fat and thin!

This month adverts are placed in the Stage and other trade publications for their dancers. As with the musicians and singers who were hired earlier in the year THURSFORD is after the VERY BEST professionals.

Our CHARITY DONATION this year is BBS UK. *The Bardet-Biedl Syndrome UK* is a registered charity supporting those suffering from *Bardet-Biedl Syndrome*. This is a rare, recessively inherited disorder which effects approximately 1 in 100,000 babies born. The main symptoms of this complex condition are visual impairment often leading to blindness, extra fingers and/or toes, obesity, developmental delay and speech, learning & coordination difficulties. Kidney abnormalities and other health problems may occur. Through a friend I heard about this important charity and selected BBS UK for this year's CHARITY DONATION. During our journey over to THURSFORD a collection will be taken on our coach and passed onto *The Bardet-Biedl*

Syndrome UK. We ask you to give generously on the 17th November 2019 helping this charity to support a very deserving cause.

We have been allocated FANTASTIC SEATS for this year's show at THURSFORD. Our stall seats are situated in rows D, E, F and G-seat numbers 16 to 29. In the EIGHTEEN YEARS that I have been organizing annual trips for this superb SPECTACULAR these are the VERY BEST SEATS EVER!.

Our 'all in' price per person this year is £59.00 which includes your SUPERB POSITIONED DELUXE SEATING, your coach journey to and from Norfolk and a tip for our coach driver.

NEW: ROYAL AIR FORCE MUSEUM, HENDON
Tuesday 21st April, 2020

The ROYAL AIR FORCE MUSEUM, commonly referred to as the RAF MUSEUM, is located on the site of Hendon airfield in North London.

I am arranging a visit inspired by Barrie who suggested that this should be a very popular day trip. So, we are both hoping that you will be able to join us.

Our departure from the Great Stukeley Village Hall will be at 8.15am PROMPT giving us enough time to arrive at 10.30am. On arrival we will be treated to their *arrival revival* tea/coffee break with a Danish pastry-included in our cover price.

I have organized a professional guide to take our group on a journey from 1918 to 2018 through the incredible history of the ROYAL AIR FORCE commemorating the RAF centenary as well as a look into the RAF in the 21st Century. The RAF MUSEUM has recently undergone a £23 million transformation. There is plenty to see - with well over 100 aircraft on display and do-with interactive and simulated exhibitions and a gift shop.

You may also wish to have lunch, at your own expense, at *Claude's Café*. I will provide a list of their menu choices and a price list nearer to the date of our exciting visit.

I have also booked everyone a delicious cream tea at 3.30pm as our departure home will be at 5pm.

The cover price for this visit is £42.00 per person which includes your trip to and from Hendon, a tip for your coach driver, the tea/coffee and Danish pastry on arrival and a cream tea at the end of your visit.

Please let me know as soon as possible of your interest so that I may finalize this terrific opportunity to visit an important part of our past and future.

I greatly respect your reservation(s). PLEASE REMEMBER I do expect you to follow through with FULL PAYMENT as reservations for the *arrival/revival*, *cream teas* and the *professional guides* have to be made with the RAF MUSEUM in Hendon.

Your understanding is very much appreciated.
