STUKELEYS PARISH COUNCIL REPORT

The Stukeleys Parish Council meeting was on Mon 6 November 17 at 7.15pm at GSVH.

PC agreed to Recommend Approval to this application: Entirely acceptable use of the area.

2) To be amended by HDC as the wrong site address submitted: 17/01900/TREE T1 large Ash at the rear boundary of the church. House behind is heavily shaded by the dense crown of the tree – propose a 20% thin to the crown and a 3-metre crown raise from the ground level to let light pass through, Land at 67 Ermine Street, GS. – Updated info received on 9 Oct 17 – the address corrected into Church of Jesus Christ of Latter Day Saints Ermine Street, GS, comments by 26 Oct 17, latest for PC comments 3 Nov 17

PC submitted planning recommendations to HDC issued by Planning Committee with the delegated powers. PC recommended approval: Parish Council agrees with this planning consultation. No reasons to object.

3) Proposal: Red horse chestnut tree – crown reduction by 15 feet and crown thinning by approx. 25%, Site address: 12 Owl End GS, Reference: 17/02089/TREE – received 9 Oct 17 (PC comments by 26 Oct 17, extension gained till 7 Nov 17)

Recommend Refusal: Unacceptable use of land.

It was agreed to report quite a few issues to Highways after the report on Highways faults was received.

The Stukeley's Women's Institute will be celebrating its one hundredth birthday in Feb 2018. WI approached PC and requested a permission to place a seat in Great Stukeley for the village use. Suggested location is either adjacent to the notice board in Church Road or on the grass area opposite in Moorfield Way. The letter was circulated to full PC. PC suggested the seat is installed by the NB. Thank you expressed for WI offer.

Finance committee met and presented to full PC a draft version of the Budget for 2018/19 which will be finalised and approved at Dec PC meeting.

Parish Council received an application from the GSVH re: the CIL Funding for Great Stukeley Village Hall Improvements. PC agreed in principle to this spending and it was also suggested that LSVG should apply to PC for CIL funding.

PC was informed that from the A14 onto the A141 towards Huntingdon, on the left-hand side, before the roundabout turning left into The Stukeleys, there is a signpost for 7.5t weight limit that is concealed by overgrown trees and bushes that need cutting back. This was brought to PC attention. The issue re: the overgrown sign was reported to Highways via Cambridgeshire County Council online fault reporting system via this link <https://highwaysreporting.cambridgeshire.gov.uk/>. This may help now to reduce any other lorries coming through the village in the future.

Please note that Neighbourhood Plan group is looking for volunteers to join the team! Please contact Councillor D Robinson on david.robinson@thestukeleys-pc.gov.uk for further details.

Please note that the full set of Parish Council Minutes is displayed on the Notice Boards in both villages and on the Parish Council Website. You can obtain a hard copy of the Minutes either at the Parish Council Meeting or can request one to be printed out for you. Please approach the Ms Ramune Mimiene, the Clerk, Martyn Fox, the Editor of this newsletter or Councillor S Day for a hard copy.

REFLECTIONS: A ROYAL COCKNEY DING-DONG

The Brick Lane Music Hall

Tuesday 12th September 2017

We arrived in good time for our admission to *The Brick Lane Music Hall* situated in Silvertown, near London City Airport.

THIRTY-TWO (32) people signed up to the highly rated event the ROYAL COCKNEY DING-DONG. The show was quite different with a Sing-Song featuring many well-known Cockney songs. As ever Vincent Hayes was in wonderful spirits as were the cast including Paul James, Andrew Robley, Joni Talks and newcomer-Ross Tomlinson. Ross had made his professional debut at the very early age of ten!

Vince Spade, who has performed for Prince Harry, was making his debut at this show in *The Brick Lane Music Hall*. His incredible Magic Tricks were very low key but always on the mark. Yours truly ended up on stage as the Magicians' Assistant –much to everyone's surprise and amusement...and I forgot to bring my camera! One of my group won a wonderful Raffle Prize which added to the enjoyment of the visit. Our three-course lunch followed by tea or coffee was excellent which helped to make this visit a wonderful success. We arrived back in the Stukeleys' on time with thanks to our great driver Paul

MUST SEE: A VISIT TO ALLERTON CASTLE

TUESDAY 24th APRIL 2018

ALLERTON CASTLE, also known as ALLERTON PARK, is a Grade 1 listed nineteenth century Gothic or Victorian Gothic House at Allerton Mauleverer in North Yorkshire. It was rebuilt by architect George Martin of Baker Street in 1843-53.

The ALLERTON estate belonged to the Mauleverer family from the time of the Norman conquest. The nearby church of St. Martin contains several pre-1786 tomb monuments to the family. When Richard Mauleverer died heirless in 1692 ALLERTON passed to his wife who left the estate to Richard Arundell, her son by her second marriage. Arundell rebuilt the house in the 1740's and in 1745 remodeled the church in Norman revival style. The mid-18th century interior of the church

remains unaltered to this day. The estate changed hands again in 1805 when purchased by the 17th Baron Sourton, Britain's Premier Baron. Edward Sourton's family owned the house from 1805 to 1983(the Lords Mowbray). The contents were sold in 1965.

In 1983 the house was sold to Dr. Gerald Rolph, an American businessman. The purchase included the house and gardens but not the surrounding park which was retained by Lord Mowbray. Dr. Rolph renovated the building to the highest standards and filled the house with furniture and pictures of appropriate scale, splendour and age.

On the day of our visit, Tuesday 24th April 2018, we are promised an incredible tour of the main and second floors of this really beautiful Castle.

AFTERNOON TEA is included in the excellent cover price of just £49.90 per person. Our tea will include sandwiches, cones and cakes which will be served in their very elegant ballroom.

PLEASE NOTE that this trip is LIMITED in numbers. At the time of going to press we have just EIGHT (8) tickets left. If you would like to join us, PLEASE CALL ME WITHOUT DELAY.

Mary Alleyne-James
Organizer, Tel 01480 433 954.

MUST VISIT: THE PEOPLE'S POST **TUESDAY 15th MAY 2018**

Our visit to THE PEOPLE'S POST on Tuesday 15th May 2018 will bring five centuries of communications history to life.

With the help of our very own *Blue Badge Holder Guide* we will start our very short walking tour with the highlights of the historic PENNY POST network. We will discover the very old parish markings, street and shop signs which were used to deliver letters before the use of house numbers and postcodes.

Our departure from the Great Stukeley Village Hall will be at 08.30am PROMPT as we must be available to meet up with our guide in London at 10.30am. We will have morning refreshments (individuals to pay on the day). After a short walk (tailored to suit my group) we will finish off our tour with our *Blue Badge Holder Guide* pointing out places of interest which are visible reminders of our postal history from the Inns where the Mail Coaches called with their scarlet clad, blunderbuss wielding guards to the Coffee Houses that were part of the PENNY POST network.

We will have time for lunch before our afternoon visit to the incredible POSTAL MUSEUM. This brand new state-of-the-art museum offers interactive galleries and truly extraordinary collections of postal history over the decades. We will also have the chance, for those interested, to journey back in time as we ride the hidden tunnels of MAIL RAIL, London's secret century old POST OFFICE RAILWAY.

The cover price for this most informative and interesting day is just £49.50 per person.

If this most popular of events is of interest, please let me know by signing up WITHOUT DELAY.

Update from Alconbury Weald

IMET Topping Out 3rd November 2017

It's been a busy time up at Alconbury Weald as the delivery progresses across both the new It's been a busy time up at Alconbury Weald as the delivery progresses across both the new

Redrow Homes launched their show home in October, and November sees the first residents moving into Morris Homes, alongside Hopkins Homes opening up their next phase of homes. With Civic Living due to start on site in the next month, the development will have up to 80 different styles of 2, 3, 4, and 5 bedroom homes, starting from £200,000.

With over sixty families moved in and the primary school growing each week, the Alconbury Weald team are starting to put on a range of community events for new residents and expand the services and facilities on site. Further details will be included in our Christmas newsletter. We hope Stukeleys residents continue to make full use of the shop, café, gym and play areas, and welcome feedback as we progress the roll-out of the development.

Ermine Street Traffic Calming Works

Among the commitments made to local residents, as part of the development going forward, was the implementation of environmental enhancement and traffic calming measures along Ermine Street. These have been designed to reduce the amount and speed of traffic through the village and make it easier for residents to get about within the village and on their journeys.

We remain on schedule for start of works in early 2018, with the final design taking into account feedback from the consultation events held last year and further work carried out with the Council's Road Safety Team.

We have booked the following dates and times as drop-in sessions to provide additional information about the works taking place:

Great Stukeley Village Hall, 7th December, 5pm – 8pm

Little Stukeley Village Hall, 11th December, 5pm – 8pm

These events and the final sign off from the Road Safety Team will enable us to confirm the dates for the start of work, which should be completed within 5 months.

In advance of these works, we are also working with the Parish Council to install a new bus stop in Little Stukeley, which we hope will be completed over the next few weeks.

Enterprise Zone developments:

The iMET Skills Centre held its Topping Out Ceremony on Friday 3 November. The new £10m Skills Centre is currently working with core local businesses to develop its curriculum and the kit it needs to deliver specialist courses in manufacturing, engineering, digital skills and leadership and management. Courses will begin in May with the first year of apprentices beginning in September 2018.

Work on the steel structure for the latest office building – next to the Incubator - is underway, and the building will be open next Summer. Progress continues on the IKO building and John Adams Leisure, with plans to start operating in spring 2018. MMUK are now up and running and preparing for their busy Christmas period.

If you would like any additional information or an update or tour with the team, please just get in touch with Rebecca or Steph on 01480 413141 or email britton@urbanandcivic.com.

Phantom Debt Collectors and Bailiffs Fraud Alert

Action Fraud has recently experienced an increase in the number of calls to members of the public by bogus bailiffs requesting payments for a “phantom” debt. The fraud involves being cold-called by someone purporting to be a bailiff working on behalf of a court, attempting to recover funds for a non-existent debt.

The caller will request payment by means of bank transfer and if this is refused, will threaten to visit the premises to recover the debt that is owed. A range of different businesses and individuals are being targeted.

Though this type of fraud can occur throughout the UK, Action Fraud has noted that a significant level of reports are being made from those in the Yorkshire area.

Tips for staying safe:

1. Confirm what the debt is regarding; bailiffs are only used to recover certain debts such as council tax, child support and compensation orders. Bailiffs are not used to recover debts relating to private advertisement; these would be collected by debt collectors. Debt collectors do not have the same legal powers as bailiffs and will not have special court authorisation to act. For more details regarding this, please look at the Citizens Advice website.
2. If you work for a business and receive a call or visit from bailiffs or debt collectors, be sure to speak with your manager or business owner first. **Never** pay the debts yourself on behalf of the business you work for; some fraudsters have suggested employees do this whilst talking with them, suggesting they can then be reimbursed by their employer, when in reality the debt is non-existent.
3. Double check with the court or originating company to confirm whether the call is legitimate; if you use a landline make sure you hear the dialling tone prior to dialling as the caller could still be on the line and you could potentially speak to the fraudster(s) to confirm the non-existent debt. Also be sure to independently search for a telephone number to call and clarify; never use a number provided by the caller without carrying out your own research.
4. Request details of the debt in writing to confirm its legitimacy.
5. Do not feel rushed or intimidated to make a decision based on a phone call.
6. You can report suspicious calls like these to Action Fraud by visiting www.actionfraud.police.uk or by calling 0300 123 2040.

Smiling
By Wendy Richmond

Smiling is infectious, you
Catch it like the flu.
When someone smiled at me today,
I started smiling too.

I passed around the corner
And someone saw me grin.
When he smiled I realised
I'd passed it on to him.

I thought about that smile,
Then realised its worth.
A smile like mine
Could travel round the earth

So if you feel a smile begin
Don't leave it undetected.
Let's start an epidemic quick
And get the world infected.

The Great Horned Owl
By Philip Hobson

The Great Horned Owl in a cage
The Great Horned Owl turned its head
Fixing me with unblinking stare
Challenging me to say why I am here,
And you are there
Implicit in its silence and stillness
Was a certain dread
If it had spoken what would it have said?
