**A SEASONAL "THANK YOU" TO ALL OF  
OUR PARISH MAGAZINE DELIVERERS AND EVERYONE IN  
THE STUKELEYS AND ALCONBURY WEALD.**

Martyn Fox, the Editor, and Mary Alleyne-James, who distributes the Stukeleys Parish Magazines to the deliverers, would like to thank all the Volunteers for their much appreciated HARD WORK in ensuring that you receive the PARISH MAGAZINE every month of the year come sun, rain or snow. We would also like to thank Rob Bates who delivers to Alconbury Weald. Currently Rob delivers 290 magazines, but this is a number that grows as more houses are occupied.

Without our volunteers in Great and Little Stukeley and Alconbury Weald we would not have the pleasure of keeping up with each other's news and learning about our local services and exciting events for us to support and enjoy. Without them it would not be the same living in the STUKELEYS or Alconbury Weald.

Martyn and Mary wish a very MERRY CHRISTMAS and HAPPY NEW YEAR to all our Volunteers and everyone in the Stukeleys and Alconbury Weald.

## The Repair Shop in Great Stukeley!

Many thanks to Pete Jones for repairing the animals and the Three Wise Men used each year as part of the crib scene. They had been made by Margaret Newman, wife of Rev. Maurice Newman, during the 1970's and were showing their age.

They now have a new lease of life.

A Big Thank You, Pete.

***“A wonderful trip from the Past, through the Present .....and into the Future”***

**Tuesday 21st April 2020**

When you come to pay I will put in your personal packet a 10% SHOP DISCOUNT VOUCHER which can be used ONLY ON THE DAY OF OUR VISIT. I am delighted to be able to offer this to you since I specially requested this for my group on your behalf .This voucher can be used for any single transaction over £30.00 in the RAF Museum Shop which is situated in Hangar 3 .This Hangar features *War in the Air* and is also known as the *Historic Hangar*.

The Hawker Hurricane which you will see during our visit to the RAF Museum was designed in the mid 1930's by Sydney Camm and largely built by Hawker Aircraft for the RAF and exported to Counties likely to oppose German expansion. It has been overshadowed by the Supermarine Spitfire's role in the *Battle of Britain*. However, the Hurricane inflicted sixty (60) percent of the Luftwaffe's losses in the *Battle* & almost 15,000 served in all the main theatres of World War II.

On Tuesday 21st April 2020 we will depart from The Great Stukeley Village Hall at 8.15am PROMPT to arrive at the RAF Museum at 10.30am. The cover price of this day trip is just £42.00 per person and includes the coach to and from Hendon, a tip for the driver, Museum guides, morning tea/coffee on arrival and afternoon tea before our departure.

Please let me know as soon as possible of your interest as the coach is rapidly filling up. Please be aware that I take your reservations VERY SERIOUSLY so please follow through with full payment.

DAVID AUSTEN

## International & West End Singer offering Singing/Voice coaching.

This winter marks the launch of a brand-new teaching venture for a gentleman having recently moved to the area. Moving to Alconbury Weald only 14 months ago, David Austen is an experienced Entertainer with 20 years under his belt in many fields of the entertainment business. Having trained originally as a Professional Dancer in London's West End, and soon there after breaking into singing, David understands the needs of any aspiring professional, as well as promoting enjoyment and fun for anyone who simply wants to learn the basics of singing.

Local singing teacher David is still working internationally as a professional singer, travelling the world flying on and off Cruise Liners to perform his very own solo produced show! In between this work, whilst home in Cambridgeshire, he aims to inspire and educate many on the world of singing to all that desire and want to understand how to use their voice and control it, understanding all that goes into singing, as well as delivering a good performance...from singing to thousands, or Karaoke at a local pub!

David has been teaching for many years at professional elite colleges around the UK, but now wants to offer his knowledge more locally and looks forward to promoting singing within and around his own county. He believes that singing is not only fun, a beautiful release of emotion and passion and something that can be shared with many, but he also believes that singing is a true art form. Once understanding your voice, and everything that goes into it, you will find true enjoyment in singing any of your favourite songs, as well as potentially gaining the knowledge to pursue a career in entertainment, or...maybe you'll just finally be able to sing that song you've always wanted to try!

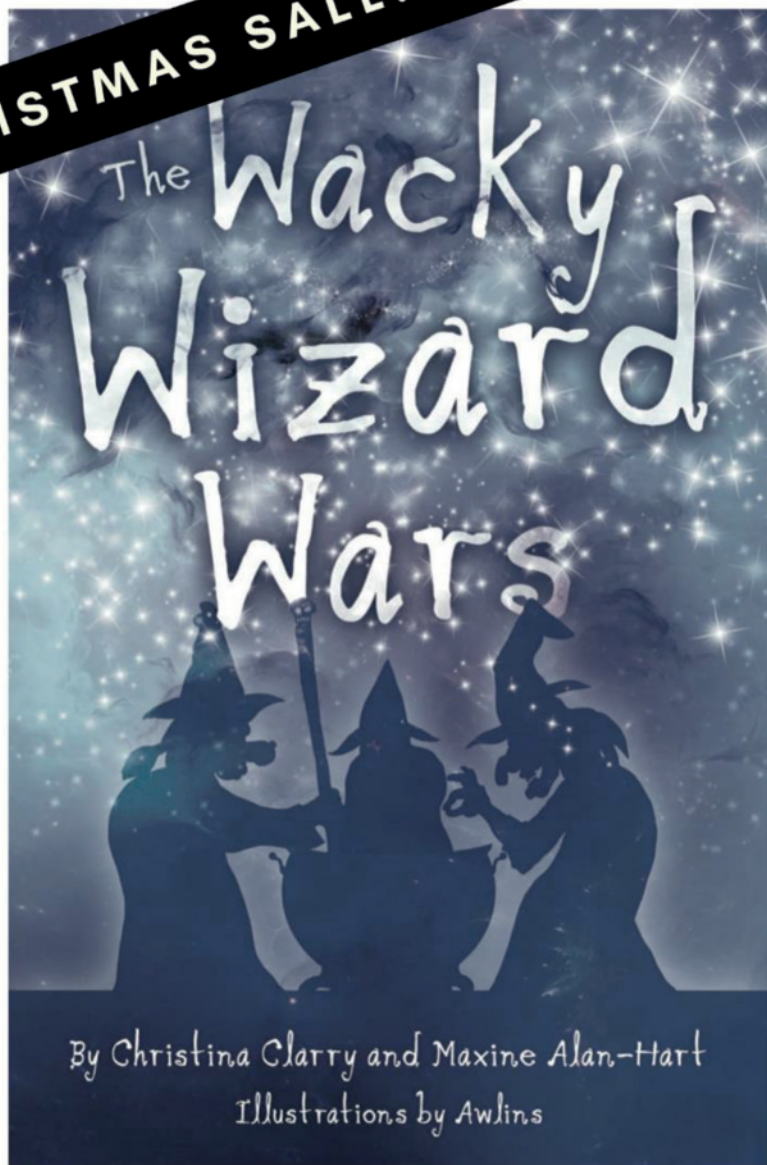

David was inspired to sing as a career after having worked with, and then being given lessons by the international super star Josh Groban. After understanding how to breath, control your larynx, create better diction, as well as understanding the music in which you sing, he was hooked on how to better your voice and constantly strive for greatness when singing! The highlight of David's career came when performing with the infamous rock band Queen, first in the West End show 'We Will Rock You' and then on tour supporting the incredible band with backup vocals.

David is extremely passionate about teaching, always seeking to inspire and push individuals into a phenomenal world of storytelling and music!

We are an international group of believers worshipping Jesus together. We might be small, but we have big hearts for Jesus. Our mission is to Glorify God, Transform our Community, and Reach the World with the Gospel of Jesus Christ. We believe that God has called us to love Him and to love one another.
