Two Poems for the Queen's 90th Birthday

To a Republican By Philip Hobson

May I ask you, please, which of other heads of state
You would prefer for us true Brits to be blessed,
Putin, Hollande, Blair, Obama, Nixon,
And the rest?

Which of those would you designate as diligent, loyal, consistent, frugal, honest and modest,
They like ours, were some, indeed, unelect,
But I ask, under whom as a loyal citizen would you prefer to be subject?

Mao Tse-tung, Stalin, Mussolini, Clinton, Bush, or Obama

I think I already know the answer,

Diligent, honest, sincere and kind,

Which of these do you bring to mind?

May I respectfully suggest we have been fortuitously lucky,

To have been blessed by a head of state of exceptional character and also plucky,

Surely only a nation of churlish socialistic nature,

Would have denied her adored Britannia,

(Could that not be restored instead of HS2

Who would prefer going fast to Crewe?)

But not only exceptionally plucky

Think of London in years before

And her service as a girl at war -

From her youthful lifetime young girl's promise,

She kept every word in dedicated lifetime service,

A Christian girl, who kept her lifetime word,

You wonder who I mean?

I mean of course, our own dear Queen.

Our Queen is 90 By Augustine Gaetano Crean (AKA Nino)

Our unique and beautiful Queen

Has lived her life as she professed she would

In service to her Country and People.

A Royal Family who know and respect their people.

The people who respect them give them peace, let them be.

She has done her duty you cannot but love

Our unique and beautiful Queen.

Our Queen is 90, she deserves our respect.

The Stukeleys Heritage Group

Report on our meeting of 15th June:

Nearly 40 members and residents of The Stukeleys visited Alconbury Weald, we were treated to a coach tour of the site which included a walking tour of the Avionics Building - the "Magic Mountain" built during the Cold War and designed to withstand a direct nuclear hit.

Rebecca Britton gave us an interesting talk about the progress of development on the site with a particular emphasis on the proposals to retain and reflect key elements of the heritage of the site. Urban&Civic, the developers, funded the coach for the tour and provided a superb buffet reception afterwards. So a big thank you to them and to Rebecca for giving up her evening to host the event.

This was our third visit to the site and we noted how much had changed in the year since our last visit (our first visit was back in 2011).

Wednesday 17th August - annual outing - to the historic city of Norwich.

By coach, leaving from Great Stukeley Village Hall at 9.30 am, which should give us plenty of time to explore Norwich as we will be leaving there at 5.30 pm. You may wish to see the Cathedral, historic Elm Hill, the Castle Museum or one of the many other museums or maybe shop at the extensive open market. You can do as much - or as little - sightseeing as you wish - if you just want a leisurely day away, that's just fine!

There are still plenty of places and there is a danger that the trip will make a loss for Group funds - so if you have not signed up already, please consider joining us.

The cost is just £20 per head. To reserve your place please let me know as soon as possible. Cash or cheque (payable to M.G. Monk) to me please.

PLEASE NOTE THAT THIS TRIP IS OPEN TO ALL RESIDENTS OF THE STUKELEYS AND FRIENDS. YOU DO NOT HAVE TO BE A MEMBER OF THE GROUP TO COME ALONG.

Convenor.

REFLECTIONS: *PETERBOROUGH GREYHOUNDS*

Friday 17th June 2016

FRIDAY NIGHT IS STEAK NIGHT! turned out to be a great way of joining in the fun when visiting the *Peterborough Greyhound Stadium* on Friday 17th June 2016.

My thirty-strong group set out from the Great Stukeley Village Hall on time at 6.15pm and arrived safely in Fengate just before 7pm. Everyone was seated and had ordered their choice of menu and drinks well in time for the start of the first race at 7.30pm. At my table everyone ordered different cuts of steak which to our surprise were as delicious as any we had eaten in the US!

Some of us won a little, some of us lost a little but everyone really enjoyed the evening. There were fourteen races with the last race programmed for 10.30pm. Bets were conveniently taken directly from our tables which made betting and collecting the winnings hassle-free.

Thanks to our driver, Doug, who got us to the Stadium and brought us back safely.

Everyone I spoke to on our journey home expressed a great interest in repeating our trip to *Peterborough Greyhound Stadium*. I have provisionally penciled-in a possible trip in late 2017 and will keep you posted.

The Brick Lane Music Hall: Best of British

Tuesday 4th October 2016

We visited The BRICK LANE MUSIC HALL in December 2015 in Silvertown by the Royal Docks, next to City Airport, as part of our Christmas Celebration. This visit was such a success as we laughed until we cried. This inspired me to offer you Vincent Hayes' new show, *THE BEST of BRITISH*.

Served during the intermission, around 3pm, the traditional ENGLISH HIGH TEA will also include homemade cakes, scones and pastries so no-one will go home hungry! *THE BEST of BRITISH*, a brand new show, will celebrate all things British from television, stage and screen and British artists together with the usual elements of Music Hall. The artists, confirmed so far, include Vincent Hayes, Andrew Robely and William Byrne.

We will be departing from the Great Stukeley Village Hall PROMPTLY at 11am as our arrival is scheduled for 1pm just in time for the doors to open at 1.15pm since *THE BEST of BRITISH* show begins at 2pm.

Thieves strike again at Grace Fellowship!

Was your need greater than ours?

I hope that this was true for the one that stole the flower tub from Grace Fellowship. This is the second time this has happened. The first time it was 2 large tubs both fully planted up for the summer. This time it was the only one there. It had been presented to us by the Scouts as a thanks for using the church to hold the Christmas Peace Candle of Light. I hope that the person who stole it would know that all they had to do was ask and, if their need was greater than ours, we would have helped them.

Pastor Pete.

Grateful Thanks from St Bartholomew's PCC

There can be no doubt that without help our small Congregation would struggle to maintain the Church and Churchyard to the standards that we enjoy today which is thanks to two small but dedicated teams of supporters who keep both looking so neat and tidy throughout the year. The 'Churchyard Team' (see photograph below) tackle the exterior on an as required basis whilst the ladies ensure that the interior is always clean and tidy by their monthly attack with mops, dusters and polish.

It goes without saying that the PCC is most grateful for the help of both teams in ensuring that our Parish Church is a joy to visit for regulars and casual visitors alike. Our grateful thanks to both teams.

Richard Turpin Vice Chairman St Bartholomew's PCC

Sunday 19th June 2016

The sun shone on the 750 runners who took part in the seventh Hunts10k at Alconbury Weald on Fathers' Day, Sunday June 19.

And Stukeleys residents once again provided enthusiastic support as runners, volunteer marshals and spectators.

Everyone who finished the 10k, 3k and 1k runs received a medal for their achievement. Their entry fees will boost the profits shared between the eight charities supported this year, which all work to promote healthy, active lives for all ages in the district.

The family race day is organised by Hunts10k Charitable Trust in partnership with BRJ Run and Tri and Team Bex.

Huntingdon Community Cancer Network, Cornerstone Pregnancy Advice Centre, Action for Children, Alconbury Thursday Club, the Upside Down Sports Club at St Ives, Suffolk and Cambridgeshire SERV; Huntingdon Youth Theatre and Godmanchester Rovers Youth FC will all receive a share of the race profits to support their work with district residents.

Race Director, Bob Hulstrom, said: "Hunts10k gets better and better every year. None of it would be possible without the support of the amazing volunteers who organise this event annually and the marshals who turn up very early on the day to ensure it is a fun, family event. We're grateful to everyone for their help and support."

Bob added: "Staging an event of this size is expensive. It is thanks to the support we have from our sponsors – particularly Cook Italian, Alconbury Weald and Huntingdon Audi – that we can make Hunts 10k the great charity fund raiser it has become.

"Stukeleys residents do so much as willing volunteer marshals, cheering on runners and supporting our spectator village. On behalf of the small band of volunteers which organise this event, thank you."

At
Great Stukeley Village Hall

Well time is flying by and it's nearly a month till the Flower Show, so I hope you're busy making or fine tuning your exhibits and gardens. I hope to see as many of you there as possible even if it's just for the cream teas.

I would like to remind all last year's **trophy winners** to please contact Sylvia Reynolds, Tel no 458442 to return their trophies cleaned as soon as possible please. And can those people that are sponsoring a section could you please pay the monies a.s.a.p. to Carol Buttercase Tel no 458089.

Now calling on all you keen gardeners out there! We are seeking entries for **Best Kept Garden, Best Hanging Basket** and **Best Container**, which will be judged in **Mid-July**. So anyone interested in entering please don't hesitate in getting in touch. Contact myself on 07835630559 or Sylvia Reynolds on 01480 458442.(you got to be in it to win it!)

Also on the day of the show we are thinking of having a sale table for anyone to donate their exhibits or surplus amounts of vegetables or plants they have. So if you are interested please advise us when booking in your exhibits.

The talking will be over the voting done and we will know one way or the other if we will still be in the EU or not. One side will be glad while the other side will be sad. There were always going to be someone who lost out. Let's hope that the right result came from the ballot box and we as a country can get on with our lives together. Through all history this has been the case. People see things in different ways, but it is not always true that might is right or that the one that gets the most votes will be the best way, there will always be mistakes. People will often go with the crowd. It happens in school, in sport in work and so on often settled by the one that makes most noise. That's what happened to Jesus. It was the crowd that chose the one that took life over the one that came to bring life. Many of that crowd would have seen the great things Jesus did may even have been with the ones that were fed or even stood on the road side cheering Jesus as he entered the city on the donkey and claiming that he was the King that would deliver them from captivity, even His disciples left him to be hung on the cross. They all had seen the power of Christ but the crowd had their way. Let's hope we will have got it right.

Pastor Pete
