THE STUKELEY PARISH COUNCIL REPORT

The Stukeleys Parish Council meeting was on Mon 4 Jun 2018 at 7.15pm at Little Stukeley Village Hall. Parish Council discussed this Planning Consultation and made Planning Recommendation to HDC:

18/01091/TREE Reduce Sycamore tree (frame work pollard) as the tree is getting too big and is shading the garden also the growth in centre of the tree don't look great the leafs are very thin. Remove 5 meters out of the top of the tree and reduce the sides to match. Site address: Old Lodge 67 Ermine Street, GS

Parish Council recommended approval to this planning consultation.

The Stukeleys Parish Council arranged to trim hedges all way through both villages (due to no positive feedback received from County Council highways).

Parish Council is looking for a volunteer to maintain the flower bed beneath the millennium sign in Little Stukeley. Please contact your clerk/councillors for further details.

It has been brought to the attention of the Parish Council that there is limited space in the Parish magazine, historically a number of pages have been dedicated to events advertised by a local organiser in each edition. The Council have taken the opportunity to review the current advertising procedure and felt that something needed to be implemented to make it a fair, clear and transparent policy for all that wanted to advertise in the Parish Magazine. We received numerous correspondence from parishioners relating to the events that are advertised by the local organiser and their views on this. When devising the new policy this feedback was taken into account. The proposed Community Funded Advertising Policy was discussed and comments made by the members of the public during the open meeting have also been taken into Parish Council consideration. The Draft Policy is published as agreed at the Parish Council meeting on 4 June 2018. The parishioners are welcome to feedback their comments and suggestions to the Parish Council which is seeking a clear guidance for all that want to advertise in the magazine.

Please note that potholes can be reported directly to County Council via their online reporting system <https://highwaysreporting.cambridgeshire.gov.uk/>

The Stukeleys Parish Council is considering the Neighbourhood Plan and would welcome any new members to join the team. Please contact the Clerk or approach any of your local Councillors to make a difference.

Parish Council is further considering CIL (Community Infrastructure Levy) funding spending. Village Halls are now in the process of getting the quotes for the works listed in the applications. PC are also considering other projects.

Parish Council is working closely to U&C to achieve best results for all.

2 vacancies have arisen in the Office of the Parish Councillor

Please contact your Clerk for further details.

Please note that the full set of Parish Council Minutes is displayed on the Notice Boards in both villages and on the Parish Council Website. A hard copy of the Minutes can be obtained either at the Parish Council Meeting or can be requested from the Ramune Mimiene, Clerk; Martyn Fox, the Editor of this newsletter.

Note: List of Parish Council Meeting days is set below (please note Parish Council do not usually meet in January and August, but please be aware that there might be an extraordinary PC Meetings during these periods).

Community Funded Advertising

What is the Parish Council's definition of an advertisement?

The Oxford Dictionaries (www.oxforddictionaries.com) defines an advertisement as 'a notice or announcement in a public medium promoting a product, service, or event' and the Parish Council will rely on this definition in determining what is, in its sole opinion, an advertisement.

In keeping with that definition, an advertisement will have any of the following identifying features, which the Parish Council may review from time to time:

- Publication of information about an event is requested ahead of an event.
- Includes a price for the service, product or event to be advertised.
- Includes contact details for readers to purchase tickets, obtain quotes, estimates or pricing, or obtain further information.
- Contains information that in the opinion of the Parish Council is intended to have a commercial objective.

The Parish Council may from time to time at its sole discretion delegate the decision making in this regard to its editor.

What is Community Funded Advertising?

The Stukeleys Parish Council may agree to permit advertising in the parish magazine at no cost to the advertiser. Such advertisements are not free; they are paid for, in the form of printing costs and the like, by the Parish Council using precept monies contributed by parishioners through their council tax payments. They are, therefore, properly referred to as 'community funded advertising'.

Who decides which advertisers qualify?

The Parish Council, advised as necessary by the parish magazine committee, will make a final decision as to whether an advertiser qualifies for community funded advertising. In each case, the request from an existing or potential advertiser for community funded advertising will be an agenda item at the next available parish council meeting and will be subject to the usual rules for voting at parish council meetings. A decision made by the Parish Council will not be reviewed for at least six months except where the requirements for reconsidering a matter contained in the Council's standing orders apply.

Existing or potential advertisers requesting community funded advertising may make representation in writing to the parish clerk for consideration by the Parish Council and may attend the open meeting ahead of any Parish Council meeting to make verbal representation within the requirements of the Council's standing orders.

What will the Parish Council consider?

Individuals and organisations requesting community funded advertising must provide the Parish Council with evidence that they meet the following requirements:

1. Benefit the community in The Stukeleys Parish by its activities.
2. Be not-for-profit. Any surplus generated must be used for the purposes stated by the organisers and not benefit the organisers, members, owners or employees of the organisation.
3. Give to the Parish Council and annually review a written statement of purpose.
4. Give to the Parish Council at least annually an account of its finances.
5. Have reserves that are, in the opinion of the Parish Council, no greater than that proportional to the stated purpose.
6. Give to the Parish Council and annually review a written statement that it is compliant with taxation and all other legislated requirements.

Where existing or potential advertisers requesting community funded advertising fail to provide the information required above, the Parish Council will not authorise community funded advertising.

Our next meeting

Our meetings are OPEN TO ALL, whether members or not, so if you have not been to a meeting, why not give us a try? The Group runs along as informal lines as possible to make it accessible to anyone who cares to dip into our heritage.

Our programme for the rest of 2018 is set out below. Please put these dates in your diary!

NEW CHAIRS IN ST. BARTHOLOMEW'S CHURCH

St. Bartholomew's Church in Great Stukeley now has some new, more comfortable seating. The upholstered chairs replace those wooden chairs most damaged by woodworm and age. Many thanks to Eric and Nita Charter who sourced the chairs for us.

On 2nd June, a small working party removed the old damaged chairs and cleaned and installed the new ones.

Ripples **By Olivia Tasker**

She was perfect
Since the first time I met her
Elegantly formed
And very well kept

She lay on the river
Waiting alone
For someone to come
And make her their home

She could offer it all
Comfort and joy
Shouting to me
“Come on now, ahoy!”

Ripples was great
A magnificent sight
But the one thing I needed
A cheque of all might

The lottery
Could that be my source?
I know how I'd spend it
On my narrow boat, of course!

It Starts With You

Our local Healthwatch in Cambridgeshire and Peterborough are launching their 'It Starts With You' campaign to encourage more people to share their experiences of using local health and care service.

The campaign will run from July to September 2018 and will tell the stories of local people who are helping to improve the services we all use.

Last year, Jason, who is Deaf told us about visiting A&E and not getting a British Sign language Interpreter for over 7 hours even though he had a serious lung condition. Thanks to Jason and other people who shared their experience, we are challenging the local NHS to do better for disabled people.

Have you got a story to share? Tell us about your experiences and ideas to help services understand what works, what doesn't and what you want from care in the future.

No matter how big or small the issue, tell us about it. If it matters to you then it's very likely it matters to someone else.

Sharing your opinions with Healthwatch is quick and easy and could make a big difference. Tell us what you think and help make care better for you, your family and community.

Volunteer as a Community Listener and help us find out what people who live locally think about their health and care services. You will get training, support and out of pocket expenses.

Call our free Information Service if you have a question about local health or care services and need some help with what to do next.
