Parish Council received a few applications to fill in 1 Parish Councillor Vacancy

A new member will be co-opted at July meeting

If you are interested in becoming a Parish Councillor Please contact the Clerk or your local Councillor for further details.

June meeting was well attended by members of the public, HDC and CCC Councillors, U&C and Savills representatives.

Many concerns raised by the residents regarding the road safety were answered by R Britton, Urban & Civic. It was noted at the time that the Audit has been carried out and report issued. This has not been worked through by officers for the County response to it. U&C have a technical design meeting on site with the County team to review the core points against their views and were then looking to get a meeting in the diary to sit down with parish and district councillors who want to be involved to go through. Key aspects of this discussion relate to looking at the works in the context of the next phase of works; additional speed limit measures already discussed; and additional works that might be needed to respond to the safety audit or parish council views.

Phase 2:

The second phase of works includes the cycle way, pedestrian crossings and gateway features. PC feedback is required.

Maintenance and condition:

U&C have been in discussion with the contractor about the nature of the verges and the timing is not great for many of the landscape management options along with the potential redoing of some of works for additional lighting, signage or junction works, which U&C cannot discount at the moment.

U&C have asked their landscape contractors to provide options which would enable the key areas to be tidied up in the short term and have a longer-term low maintenance but attractive look. U&C will come back on this.

Parish Council thanked R Britton for all advice and co-operation as well as attending the meetings.

Planning Committee had a very useful meeting. Committee is now re-invigorated and consists of Councillors S Smith, T Close, S Burton, A Hallihan and A Cull. Chairman is a member of every Committee and Working group. The last meeting was attended by T Slater, planning advisor.

New Applications:

1) AMENDED SCHEME Single storey rear extension to existing dwelling and erection of garage with access from Church Road. Erection of new 3 bedroom dwelling and garage with access from Church Road. Site Address: 63 Park View Great Stukeley Huntingdon. Reference: 18/01707/FUL - No PC comments.

2) Installation of low level air source heat pumps and associated timber protective louvred enclosures. Site Address: Pringle Farm Pringle Way Little Stukeley Reference: 19/00823/FUL

Installation of low level air source heat pumps and associated timber protective louvred enclosures (Barn C Only) Site Address: Pringle Farm Pringle Way Little Stukeley Reference: 19/00824/LBC - *No PC comments.*

There were a few concerns raised regarding the maintenance of both villages / grasses cutting, and it was agreed to write to the contractor seeking clarification. The letter has been sent, awaiting the outcome.

Village litter pick was carried out by the Scouts. More than 10 bags of litter collected. Parish Council thanked the Scouts and their Leaders.

Parish Council with the help of Urban & Civic are considering gateway features for both villages.

Please note that the full set of Parish Council Minutes is displayed in both Village Halls, on the Notice Boards in both villages and on the Parish Council Website. A hard copy of the Minutes can be obtained either at the Parish Council Meeting or on request from Ramune Mimiene, Clerk or Martyn Fox, the Editor of this newsletter.

Note: List of Parish Council Meeting days is set below (please note Parish Council do not usually meet in January and August, but please be aware that there might be extraordinary PC Meetings during these periods).

REFLECTIONS: KEW, the ROYAL BOTANICAL GARDENS

Tuesday 21st May, 2019

This was an amazing visit! My thirty-eight (38) strong group were in an excited mood due to the superb weather. It was WARM and SUNNY-just perfect weather for this visit with absolutely no rain in the forecast.

We departed from Great Stukeley Village Hall on time at 8.00am. On our arrival at *Kew* we were met at the *Elizabeth Gate* by our well informed host Eric White who kindly gave us some tips on things we should see and those to keep a lookout for. Included in the cover price was morning coffee and the Free Pass to use the hop-on/hop-off *Kew Explorer* road train with its seven stops around the entire Garden. Some of my group. I later discovered, travelled the entire route at least twice!

At the time of our visit the *Chihuly Reflections on Nature* exhibition with iconic glass artwork in inspired settings was an added attraction. Dale Chihuly, the world's most celebrated contemporary glass artist, brought his work to the stunning backdrop of *Kew Gardens* in a major exhibition situated in thirteen locations throughout the *Gardens*.

There was much to visit, see and enjoy during our visit- the *Temperate House*, the subject of a recent restoration and home to some of the rarest and most threatened plants in the world!, the *Mansion* and *Walled Garden* including *Kew Garden's Elizabethan Mansion* dating back to the 16th century and, just beyond, you could see a breathtaking display of colour, scent and texture from over 33,000 plants in the newly designed *Winter Garden*. There was also the *Treetop Walkway*, the *Royal Kitchens*, the *Key Palace*, the *Palm House* and the *Princess of Wales 'Conservatory'*-to name but a few of *Kew's* treasures.

The day was full to the brim with exciting discoveries and interesting exhibits, good company and enjoyable lunches and snacks at *Kew's* six restaurants.

We arrived back in Great Stukeley on time at 7.30pm with everyone expressing thanks for a most successful day so much so that several members of the group uploaded their photos on to Facebook and Twitter that evening! The organizer received several Thank You letters and a beautiful bunch of flowers in appreciation of this most enjoyable visit.

Thanks are extended to our most entertaining first-time driver, Lee Cox, who was a terrific hit with everyone on my trip.

Re: The New Road Layout at the junction of Ermine Street and Church Road

Dear Sir,

I write in support of those who see problems with this junction.

On several occasions I have noticed drivers coming up Ermine Street heading North, who cross this junction without looking left.

Yet, having stopped there, I have been surprised how often a car has shot past me from the left, having the right of way.

May I suggest that some more imperative signs are required, such as, Stop! Look left. Then, but only then, if the road is clear - proceed! Otherwise, I, and obviously others, feel sure a horrible crash is bound to occur.

However, in general I applaud the attempt to slow traffic through the village, which seems to be working.

Yours,

Philip Hobson

GOD LOVES YOU AND SO DO WE

SUNDAY WORSHIP @ 11 AM

We are an international group of believers worshipping Jesus together. We might be small, but we have big hearts for Jesus. Our mission is to Glorify God, Transform our Community, and Reach the World with the Gospel of Jesus Christ. We believe that God has called us to love Him and to love one another. If you are looking for a church home, or just somewhere to worship on Sunday, we hope to see you. If you need more information, please check out our website @ gfgg-baptist.org.

The second Saturday of each month we host a men's fellowship breakfast. Please join us for a meal, discussion, and time of fellowship.

If there is any way we can help of if you need to speak to someone please call Pastor Eric Gren at 01832 293143 or email at egren921@gmail.com.
