## Stukeleys Parish Council Report

Due to Coronavirus the June Stukeleys Parish Council Meeting was held remotely via ZOOM with the following participating Parish Council Councillors Terry Pinner (Chairman), Tim Close (Vice-chairman), P Tuck, G Evans, B Parkyn, S Burton, S Smith, and also present were R Britton, U&C.

T Slater, Planning Advisor, and HDC Cllr T Sanderson.

Meetings will continue remotely until further notice, members of the public who would like to take part in the Open Meeting between 7.15 to 7.30 should contact the [clerk@thestukeleys-pc.gov.uk](mailto:clerk@thestukeleys-pc.gov.uk)

U&C presented the update of delivery on site and ran through in more detail. Alconbury Weald have around 320 homes occupied at the moment and a new bus stop is to be located on Ermine Street near the Swynford Road junction.

Further traffic calming measures, road signage and the condition of the road surface on Ermine Street were addressed and discussions with relevant agencies involved continue.

Outline Planning Application - Land north east of Ermine Street, Huntingdon

Savills UK, on behalf of The Master, Fellows and Scholars of the College of St John the Evangelist in the University of Cambridge, has submitted to Huntingdonshire District Council an 'Outline planning application for the phased development of up to 648 dwellings with associated public open space, services and other ancillary infrastructure with all matters reserved except for the means of access' on land north east of Ermine Street. The site forms the northern part of Huntingdonshire's Local Plan to 2036 allocation HU1.

A proposal to place outdoor table tennis tables at both Great and Little Stukeley playing fields was raised and will be on the agenda for the July meeting.

## Subject: Digital inclusion

Hello,

My name is Lauren and I work for Huntingdonshire District Council.

We are working to deploy a voice bot solution within Huntingdonshire District Council, the aim of the bot is to provide voice based access to the FAQ content on our customer portal so there is a non-digital channel to get to the FAQ content for our customers.

We are thinking primarily of those who wish to pick up the phone rather than go online.

This work is primarily LGA funded with a mind for digital inclusion for the older community in our district so they have access to the same information that our other customers can get online.

We were initially looking to do some User research testing sessions to assess if the product we currently have is viable and what improvements can be made before we go live.

Unfortunately, due to the Covid19 pandemic, we have been unable to carry these sessions out.

As an alternative, we are looking to recruit members from the older community to take part in over the phone surveys and potential user testing.

I was hoping there would be someone within your organisation who could point me in the right direction as to how I could contact people you feel would be interested in taking part.

Any help you can give would be greatly appreciated.

## The Stukeleys Heritage Group

We were due to meet in July to hear Mike Petty talk about the 1947 floods. However, given the current Covid 19 situation I have decided it is too soon to return to meetings, so I have cancelled this meeting, and also the planned trip to Colchester in September.

The next meeting could be November, but we will need to review the position nearer the time.

In the meantime, we have had VE Day, so I wondered if we could share stories about the Second World War. It would be a pity to lose those stories, which could be about people or places. So please email or write or phone and I will try to capture them. Given that many of us have come into our villages from further afield such experiences need not be just local. You may also have stories handed down from older family or friends who are no longer with us, in which case please include them as well.

Another set of stories might be our experiences during the Covid 19 pandemic and how it has affected our lives. Are there local heroes helping others which we could record?

Let's share as a community!

And look out for our forthcoming new Facebook page ....

### **Great Stukeley Village Hall Management Committee:**

Our AGM was due to be held in May this year but of course had to be cancelled due to the coronavirus lockdown. The management committee members have agreed to continue in their current positions for now and the next AGM will be held in May 2021.

We have included our Trustees' Report in this edition of the magazine which would have been presented at the AGM. We are pleased to report that we are continuing with our latest round of improvements and are just completing refurbishment work to the Committee Room. We're sure you will be as pleased with the results as we are. Our next project will focus on the car park. Over the coming months we will continue to meet, subject to the latest government guidelines, and will maintain the village hall until we can reopen it.

We are currently looking for a tech-savvy person to help manage our on-line booking system. If you are that person, please get in touch!

It has been a difficult few month for us all and we hope that we will be able to welcome you back to our village hall very soon.

On behalf of Great Stukeley Village Hall Management Committee, thank you for your support in the past, keep safe for now, see you in the future.

# In Loving Memory of John Byrne OBE

## Who passed away on 20 May 2020

I would like to thank all friends, neighbours, and villagers for their cards, flowers and support during this very sad time.

I would also like to thank all those who lined the road on the day of John's funeral to make the journey to his final resting place so special.

Once conditions allow, there will be a memorial service to enable family and friends to celebrate John's full life.

Thank you.

**Janis Pittuck**

## **The Stukeley's Branch of the Royal British Legion**

We would like to thank Terry Pinner, Chairman of the Stukeleys Parish Council for organising the purchase of the two silhouettes, known as "The Silent Soldier", that celebrate 75 years since V.E. Day. Thanks also to Tim Close, the Vice Chairman, who erected the silhouettes on the verges at the entrances to both villages.

It was good to see the silhouettes on the front cover of the June Stukeleys Parish Magazine and pictures of people celebrating V.E. Day on the inside back cover.

## **Update from the 501st Combat Support Wing**

### **Author: 501st Combat Support Wing Public Affairs**

*The 501st Combat Support Wing (CSW) is grateful for the opportunity to contribute to the newsletter and connect with our local community in this way, as COVID-19 has prevented some of our normal face-to-face interactions with the community. Thank you!*

The 501st Combat Support Wing is a U.S. Air Force unit headquartered at RAF Alconbury. Comprised of nearly 2,000 people, including active-duty military, U.S. civilians, and UK civilians, the 501 CSW supports U.S. and NATO operations from seven installations spread across the UK and Norway. The wing's personnel are divided into two groups – the 422d Air Base Group, headquartered at RAF Croughton in Brackley, and the 423d Air Base Group, headquartered here at RAF Alconbury. The 423d Air Base Group provides mission support services to several intelligence units at nearby RAF Molesworth, as well as RAF Menwith Hill in North Yorkshire and the Jåttå Military Compound in Stavanger, Norway. These multi-national teams rely on world-class support from RAF Alconbury to carry out their missions, and the base and its personnel are proud of the important combat support mission they perform. The 501 CSW traces its lineage to World War II bomber units, and carries on the name “Pathfinders” in honor of the brave RAF and USAAF Pathfinder units who lit the way for allied bomber operations over occupied Europe using elite target-marking techniques.

The COVID-19 virus has led to new ways of working, and this is the first in what will hopefully be a series of periodic updates to keep our local community informed about happenings at RAF Alconbury and beyond. In the meantime, the 501 CSW is standing with its host nation in the fight against COVID-19, and ensuring people fully honor the efforts of both the UK and US governments in each decision. U.S. medical personnel and other front-line workers join their UK counterparts in combating this virus and ensuring everyone does their part to prevent its spread, and we salute the NHS workers across the country for their heroic efforts.

## **St Martins Church Roof Repair**

**Dear Residents,**

St Martins Church is sadly still living under a flapping tarpaulin but not for much longer - The great news is that we have been granted planning permission to replace the stolen lead with Terne Coated Steel which looks just like lead but is of no use to any thief. As you can probably imagine trying to finance this is very difficult especially given that all our fundraising has been cancelled due to Covid-19, but we are half way there and have been helped along the way by very kind donators, if there is anyone else or their business who would like to help us then please contact one of our committee, (contact details at back of magazine). All help is very gratefully received. We also received a grant of £3k from Cambridgeshire Historic Churches Trust for which we are very grateful.

This Trust offers grants and loans to help congregations look after their historic places of worship. Its main source of income, apart from membership, is the annual "Ride and Stride". Each September sponsored cyclists and walkers visit churches, chapels, and colleges throughout Cambridgeshire, sharing the money raised between the Trust and their local church. Details of the Trust's work can be found at [www.camhct.uk](http://www.camhct.uk)

We hope to be able to write again soon to you all with details of our new roof.

**GOD LOVES YOU AND SO DO WE**

### **SUNDAY WORSHIP @ 11 AM**

We are an international group of believers worshipping Jesus together. We might be small, but we have big hearts for Jesus. Our mission is to Glorify God, Transform our Community, and Reach the World with the Gospel of Jesus Christ. We believe that God has called us to love Him and to love one another. If you are looking for a church home, or just somewhere to worship on Sunday, we hope to see you. If you need more information, please check out our website @ [gfgg-baptist.org](http://gfgg-baptist.org).

The second Saturday of each month we host a men's fellowship breakfast. Please join us for a meal, discussion, and time of fellowship.

If there is any way we can help of if you need to speak to someone please call Pastor Eric Gren at 01832 293143 or email at [egren921@gmail.com](mailto:egren921@gmail.com).

## **Church Services**

It is over 2 months since we closed the doors of our churches as a result of the Coronavirus pandemic. We are delighted that we can now plan towards a gradual reopening over the coming months. We continue to follow the guidance provided by the Government, the Church of England and the Diocese of Ely.

We believe in life in all its fullness. In the current situation, that means that we need to keep everyone who will be using the church safe. We are currently working through the guidance to see how and when we can safely open our churches for individual prayer and ensure that the necessary health and safety measures are taken (regular cleaning, social distancing etc). Until this has been done in the best way possible, our buildings will remain closed.

The church, however, is not closed. Every Sunday and Friday, there are acts of worship posted on the North Leightonstone website ([www.norleigh.org.uk](http://www.norleigh.org.uk)), and the North Leightonstone Facebook Group. Once a month, there is a live 'Zoom' evening prayer. Do drop in and join us – it has the advantage that you can be at Sunday worship in your pyjamas or drinking coffee!

Rev Fiona Brampton (01480 538726 [revfiona@norleigh.org.uk](mailto:revfiona@norleigh.org.uk)) and Rev Mandy Flaherty (01480 896541 [rector@norleigh.org.uk](mailto:rector@norleigh.org.uk)) are available for prayer or a chat (currently by phone). The situation is changing regularly, and we will keep people updated on the Stukeleys Community Group Facebook page and 'Next door'.

We are looking forward to welcoming you back into our church buildings shortly.
