Before the evening's business proceeded the Chairman invited members of the Parish Council and members of the general public to stand for 1 minute's silence in memory of John Derek Middleton who recently passed away.

He was a long serving member of the Parish Council and the Village Hall Committee.

Parish Council successfully filled in 2 Vacancies for a Parish Councillor.

The Stukeleys' Parish Council welcomed Glyn Evans and Aston Cull.

There is still 1 Parish Councillor Vacancy

If you are interested in becoming a Parish Councillor please contact the Clerk or your local Councillor for further details.

In May we had 2 meetings – one for the public to raise any matters of concern called Annual Parish Meeting/ Assembly and the other one called Annual Parish Council Meeting when the Chairman and Vice-Chairman were elected. The Stukeleys Parish Council signed the Year End Accounts which will be internally and externally audited. Please check the Parish Council website for further details and notices.

The Stukeleys' Parish Council met on 13 May 19 and discussed these planning applications:

- 1) Residential development (2 dwellings) Site Address: Land East Of Manor House Owl End Great Stukeley Reference: 19/00841/PIP - No comments.
- 2) Submission of reserved matters (appearance, access, landscaping, layout and scale) in respect of the construction of a new roundabout from the A141 including drainage, landscaping and associated works. Site Address: Land West Of The East Coast Mainline Railway And North Of Spittals Way Huntingdon Reference: 18/01577/REM - No comments.

3) New signage and lighting Site Address: Stukeley Country Hotel Church Road Great Stukeley Reference: 19/00600/LBC – received 11 Apr 19 - No comments.

4) 18/01217/FUL The erection of a building to accommodate the Headquarters and Air Ambulance Station for Magpas, including hangar and garaging space for a helicopter and emergency vehicles, with associated landscaping, car parking, and boundary treatment, with access from Ermine Street

PC Recommend Refusal: It was agreed to recommend refusal because of overlooking, loss of privacy and noise to existing properties. Potential loss of business to the neighbouring properties.

5) Conditional Information for 1201158OUT: Condition 9: Amended Key Phase 1. Condition 10: Amended Key Phase Framework a) Design Code b) Indicative Sequencing Plan c) Archaeological Investigation d) School Site Plan e) Key Phase Transport Assessment f) Key Phase Travel Plan & Mitigation Strategy g) Delivery Plan h) Site Wide Strategy Supplements (Water, Ecology & Code of Construction Practice) and i) Sustainability Statement. Site Address: Alconbury Airfield Ermine Street Little Stukeley Reference: 19/80094/COND – Note: Extension provided by HDC till after PC May's meeting. Draft Response put together and circulated to full PC for the approval

PC issued a separate detailed response which consisted of PC concerns other issues raised.

6) Erection of two-storey Cambridgeshire County Council Civic Hub (4,219sq.m GEA), comprising office space with an ancillary multi-function meeting area (to include Full Council Member Meetings), support space, a staff break-out area, with provision of vehicular and cycle parking, and associated landscaping to site. Location: Cambridgeshire County Council Civic Hub, Ermine Street, Alconbury Weald, PE28 4WX Application No.: H/5005/19/CC

The Stukeleys' Parish Council welcomes the County Council to Alconbury Weald and is supportive of the county's decision to relocate as a recognition of the growing significance of Alconbury Weald.

Stukeley Parish Council does however raise concerns in respect to the ambitious travel plan assumptions within the submission and the level of parking to be provided within the site. In particular concern is expressed in the early years of the new building in advance of the enhanced sustainable transport infrastructure being implemented- it is a concern that particularly at this time on site parking will not be adequate leading to overspill parking into the industrial area.

It is requested that consideration is given to provision of additional parking.

7) Ermine Street Plan HU1 By Savills 13 Mar 19 – At the last meeting in Apr the points were raised by SPC and the response received to the key issues. Since the meeting Savills provided the following points of clarification:

- Gross density: 17dph
- Net density: 40dph
- Illustrative depth of planted buffer on the western boundary: 15m
- Distance between existing properties and the site boundary are indicated on the attached

The application will be submitted in outline and so the detailed design will be secured as part of a future Reserved Matters application with the associated consultation also held at that stage. Reserved Matters include layout and landscaping.

Savills also informed PC that the suggestion that the provision of two tennis courts on site would be appropriate and this would be combined with a financial contribution for off-site enhancements to outdoor sport in the local area. This would be secured through a S.106 Agreement attached to any planning permission.

The Parish Council agreed that the approach cannot be determined until the routing of the A141 is resolved. PC suggested Savills attend the next PC meeting in Jun where PC can share their thoughts and concerns on the development.

It was noted that email from Alconbury RAF re: ROAD CALMING MEASURES - B1090 ERMINE STREET NORTH of LITTLE STUKELEY - ROUNDABOUT FOR A14 received.

It was stated that at a meeting at RAF Alconbury on 25 Jan 19 various road calming measures for consideration in conjunction with the work that will take place at the LVIS entrance to RAF Alconbury were discussed. One of the measures was the reduction of the speed limit on the B1090 road north off Little Stukeley up to the A14 roundabout which passes the LVIS gate entrance to RAF Alconbury and the main access road to the housing development and primary school on Alconbury Weald. As an application for a reduction in the speed limit for road safety reasons has to be initiated through The Stukeleys' Parish Council. PC were asked to raise a case at the next Parish Council Meeting for the consideration of a reduction in the speed limit from 50 MPH to 30 MPH, which would certainly help to reduce the potential for any further road traffic accidents (RTAs), as they already had 2 minor RTAs at the LVIS gate road junction.

PC were notified that to ease the traffic flow the base were working with Cambs CC Highways to have a no entry box placed on the road by the LVIS entrance which will help traffic exiting and entering the base at peak times.

PC felt it would be useful to have another meeting.

Neighbourhood Plan (NP) - Update on the Neighbourhood Plan with recommendations for next steps prepared by Councillor A Hallihan.

It was agreed that Highways Sub Committee should be formed under the chairmanship of Ashton, date of first meeting to be agreed.

Please note that the full set of Parish Council Minutes is displayed in both Village Halls, on the Notice Boards in both villages and on the Parish Council Website. A hard copy of the Minutes can be obtained either at the Parish Council Meeting or on the request from Ramune Mimiene, Clerk or Martyn Fox, the Editor of this newsletter.

Note: List of Parish Council Meeting days is set below (please note Parish Council do not usually meet in January and August, but please be aware that there might be extraordinary PC Meetings during these periods).

The Stukeleys' Heritage Group

Nearly 30 people attended our May meeting to hear Dr. Pat Doody explain to us the history and importance of Portholme Meadow - from the Ice Ages to the present day. This wonderful landscape feature is home to many species of rare plants and is reputedly the largest single meadow in England.

A reminder that we do not have a meeting in June so....

**our next meeting is
Wednesday 17th JULY 2019
at 7.30 pm
in Great Stukeley Village Hall**

**Mark Egerton-
The Royal and Regal Haunted History of Huntingdonshire**

Mark first became interested in ghosts and the paranormal following a personal experience in 1976. He is the author of a book about Huntingdonshire's ghosts, myths and legends. Mark came to us last year to give an overview of the findings he researched for his book. In this talk he focuses on the links to ghostly royalty.

The Stukeleys' Heritage Group....

.....invites you to spend a day at the seaside.

.....The preferred option for this year's day trip was CROMER.

Comments on road improvements

Reflecting on our past is always fascinating. Cambridgeshire County Council undertook junction improvement works in 1991 to improve safety at Green End to reduce the risks at this accident hotspot. Whilst well intended, it does seem bizarre that nearly 30 years later, the recent highway improvements through the Stukeleys appear to have introduced new hazards into our local community. Hazards include: inadequate vision splays; poor junction definition; lack of signage; confusing priorities; poor road surfaces; and proximity to higher speed zones.

Whilst the majority of drivers do navigate the new road layouts with care and caution, a minority don't, which has led to incidents and near misses. We look forward to the proposed County Council safety audit and hope they address our concerns, which we know are shared by many fellow villagers. Let's hope they can be addressed quickly.

We wonder what our community will be saying in 2049?

Nicola and John Oldfield

Photos of 1991 road works

The New Road Layout – A near miss!

I'm writing about an experience I had today.

I may not be the first from the village(s) to do it, but I contacted Cambridgeshire County Council Highways Department by phone this afternoon (Friday 17/05)

I was prompted because once again, making my way along Church Road, approaching the bend to the south into Ermine Street, I was forced to apply my brakes sharply to stop. Today it was an inconsiderate, impatient taxi driver who was not giving way.

From my conversation with the Highways Department - I was told to contact them online and search for the "Highways Feedback Form". Let them know what we think about the junctions. I will do that when I'm calm....

I know I'm not the only one to have experienced a similar close encounter, or is unsatisfied, and on safety issues for both the pedestrian and motorist, we ought to speak up.

THURSFORD'S CHRISTMAS SPECTACULAR
Sunday 17th November 2019

In JUNE the musical arrangements are needed by the third week to allow the musical director and the choreographer to start work. John Cushing is a self-taught show producer. He did panto at Gresham's School but had no musical training as he went straight into his father's laundry business.

In JUNE another meeting takes place in London with the

Show's top designer and choreographer to discuss costumes. John's ideas for the numbers need to be replicated by the designs. At the end of a very long two-day meeting after numerous sketches have been produced, rejected, modified, changed and approved, the work can start on researching the correct fabrics and making the hundreds of costumes needed for this terrific *Christmas Spectacular*.

Even on the hottest days of JULY the telephone continues to ring at *THURSFORD* with customer's trying to book tickets for this year's show! Halfway through the year the show is

virtually sold out. Callers may think that they are mad looking ahead to Christmas in mid-summer and are amazed to hear that "sold out" signs are already Up!

On the day of our visit to *THURSFORD*, Sunday 17th November 2019, our coach will arrive at 09.45am for a PROMPT departure from the Great Stukeley Village Hall at 10.00am. Our estimated time of arrival is 12.15pm depending on traffic. This should give everyone enough time for lunch or to buy a sandwich before the show begins PROMPTLY at 2.00pm.

Please feel free to contact me either by phone or email if you have any questions regarding the show which has an "all-in" price of £59.00 per person and includes entrance to the fantastic *THURSFORD CHRISTMAS SPECTACULAR*, your coach journey from Great Stukeley to and from Norfolk and a tip for your driver.

Practice Update: We are currently exploring various ways to utilise the new technology available to us as a Practice to improve the way that services are provided to our patients. We have begun sending text confirmations for appointment bookings and ask that Patients ensure we have accurate mobile numbers on their medical records.

Online Access: We encourage patients aged 16+ to register for online appointment booking and ordering of prescriptions. You can also request online access to your medical records by filling in the appropriate form and providing our reception team with photo ID. An application for the latter will involve a GP review of your notes to ensure that they are suitable for release so please allow 4 weeks for this to be approved and ensure we have your email address on file to enable us to send you your access information electronically.

Extended access: The GP federation in Huntingdon currently offers our patients GP, Nurse & Health Care assistant appointments at evenings and weekends at the Acorn Surgery in Huntingdon and at Buckden Surgery. If you wish to have a routine appointment out of hours, then please do ask our receptionist who can book you into this service. With effect from July 2019 we will be offering our own GP and Nurse/HCA appointments on a Saturday morning at Alconbury Surgery.

Team Changes; We welcome a new Nurse, Lorraine Quantrell to complement our existing team in May. In April GP Trainee Drs Salah & Nelapita left us and we were joined by Dr Wedian Eltom, Dr Emma Goldesgeyme and Dr Funmilayo Dada. Dr Luke Thompson will be increasing his sessions with us from July this year and Dr Emma Hattle is returning to locum for us over the summer period.

Albram continues to work hard for the Practice by raising funds and providing an essential car service to improve access to services for local patients. They will soon be promoting a summer raffle at both surgeries and have their AGM scheduled for Tuesday 16th July 2019 at Brampton Surgery, starting at 6pm. Albram will also be in attendance at Alconbury village fete, we encourage any patients interested in finding out a little more about what Albram do to attend.

NEW FACES AT THE STUKELEYS' COUNTRY HOTEL

We would like to introduce ourselves as the new owners of your local pub. We took over on Monday the 1st April with lots of plans, ideas and enthusiasm to raise the profile of the pub in the village and further afield.

The project will take some time as all areas will be refurbished. With the help and co-operation of our great staff, who are staying with us, we plan to make the hotel comfortable and welcoming to accommodate all our customers' and guests' needs.

A new menu will be in place for the summer, we have events planned for everyone to enjoy and we plan to introduce a wider range of real ales.

This is our 5th year in the business, as we also manage The Three Horseshoes in Houghton, we hope our time here will be as rewarding and enjoyable.

Please come in and say hello, even better, come along to our functions, details of which will appear in your local magazine and on the notice boards outside.

We look forward to Welcoming You.

Kathy & Rob

We would like to thank all that came to our first event, bingo, which was a great success.
