There was no meeting in January. The Stukeleys Parish Council met on Mon 4 Feb 2019. February meeting was well attended by the public, representatives from David Lock Associates, Urban & Civic representative Rebecca Britton, Breheny Civil Engineering representatives as well as County and District Councillors.

Presentation was carried by David Lock Associates on the pre-application consultation process and latest iteration of the Cambridgeshire County Council Civic Hub proposals at Alconbury Weald.

A group of Parish Councillors re-formed a working group for the Neighbourhood Plan. Further steps were approved by the full Parish Council at the February's meeting.

Parish Council carried some trees and hedges works in the parishes.

At the December's Parish Council meeting Councillor Karl Gasson resigned from the Stukeleys Parish Council. Although Councillor K Gasson offered to continue working on maintaining and updating The Stukeleys Parish Council website after his resignation. The Stukeleys Parish Council thanked Councillor Karl Gasson for all the continuous support and work done for the community of The Stukeleys and noted that he will be missed.

The next Stukeleys Parish Council meeting is scheduled for Monday 4 Mar 2019 at Great Stukeley Village Hall.

Please note that the full set of Parish Council Minutes is displayed on the Notice Boards in both villages and on the Parish Council Website. A hard copy of the Minutes can be obtained either at the Parish Council Meeting or on the request from Ramune Mimiene, Clerk or Martyn Fox, the Editor of this newsletter.

Alconbury & Brampton Surgeries

Practice Update: Our list size continues to grow as we welcome new patients from the various developments occurring within our Practice area. We now have over 10000 patients with approximately 55% of these registered with Brampton and 45% with Alconbury as their primary surgery. We would like to reassure you that we are working hard to grow our team to ensure we have adequate capacity to maintain the current level of service and meet future patient need.

Dispensary Update: As many of you will be aware we are now only permitted to dispense to approximately 50% of the patients registered with us at Alconbury Surgery. Anyone living within a mile of a licensed chemist became a non-dispensing patient in June last year and must now obtain their medication from any Pharmacy of their choice. We would like to take this opportunity to thank our patients for the overwhelming support they have shown the Practice and our Dispensary team during what has at times been a difficult transition period.

Team Changes; We welcome a new Medical Secretary, Diane Bliss, to complement our existing team. In December Dr Salahi joined us, in February Drs Singh and Taiye-Akinsun will leave as they become fully qualified but we have Dr Eltom joining the GP trainee Team. In April Dr Shilpa Nelapatla leaves us for her next training placement but Dr Emma Goldesgeyme and Dr Funmilayo Dada will be joining us for four months. The first 6 months of 2019 is also a busy time with us hosting medical students from Cambridge University.

Albram continues to work hard for the Practice by raising funds and providing an essential car service to improve access to services for local patients. We would like to thank the drivers and coordinators of this service as well as our long-serving committee members who volunteer their precious time to enable collaborative working between the patients and the Surgery.

Unacceptable!

Around lunchtime on Saturday 26 January, the second of a string of two riders and horses walking along Ermine Street in Great Stukeley toward Huntingdon stopped and allowed their horse to defecate on the footpath. When I walked the same route with my dog the next day, there was a large pile of horse excrement in the middle of the footpath. Tasty snack for the dog, not much fun for anyone else.

If you were that rider, you should be ashamed of your thoughtless behaviour, or worse, some sense of entitlement that allowed you to simply ignore the impact on others of that selfish behaviour.

Did you give any thought to people who use mobility scooters? If you had, you might have been concerned that having no choice but to ride through the pile of poo left by your horse, they then either must thoroughly clean their scooter or have horse manure spread throughout their house when they get home.

Did you think about bike riders? Again, with the overgrowing hedge on that part of Ermine Street, they had no choice but to ride through the middle of the pile of ordure you left behind.

Perhaps you consider it too difficult to stop and pick up after your horse? Did you think about stopping, securing your horse safely and walking back with a small shovel to throw the poo into the hedge? That's what I did after walking home to get a shovel. Why didn't you? A small folding shovel is available on Amazon from £5.70 with a nice canvas bag to keep it in and free delivery.

Perhaps the problem is that if you dismount, you can't remount from ground level? In which case, can you consider yourself safely in charge of the animal? A lorry driver who couldn't mount and dismount their vehicle as necessary would not be considered safe to control the vehicle. Why do you think it's safe to be riding an animal that's too large for you?

As a dog owner, I must carry multiple poo bags with me and clean up after my dog. Increasingly, local authorities are enforcing the rules and (quite rightly) fining dog owners who leave behind what their dog deposits and, in some cases, for not having a poo bag with them, regardless of whether the dog has defecated. Perhaps it's time the same standards are imposed on horse riders?

Dear Mary,

Re: Christmas 2018 and New Year 2019 Donation

I am writing to let you know that we are in receipt of your very kind donation of a £250 cheque from the 2018 Thursford Group.

With the kind donation that you have given to ALBRAM we will be able to purchase some equipment/update old equipment and help maintain other equipment.

We will be having our committee meeting in a couple of weeks and once I know from the committee what equipment etc is needed I will write to you again in due course and let you know the outcome.

I will ask the secretary if she would be able to put a "write up" in the local magazine and to forward a copy of this to you.

Once again on behalf of ALBRAM committee and the surgeries, I would like to say thank you, to you and to the Thursford Group for helping others in donating to us such a generous amount.

If you need any further information please do not hesitate to contact me on 01480412276.

Kind regards and best wishes.

Yours sincerely

J. Richmond (Mrs)
Chair of ALBRAM

**REFLECTIONS:
WINTER in WINDSOR
Tuesday 5th February 2019**

Though it was rather cold and cloudy there was NO RAIN which helped everyone to enjoy *WINDSOR* and *WINDSOR CASTLE*. Our very keen group of forty (40) left here at 7.45am which enabled us to arrive on time at the Windsor Coach Station at 10.15am. There we were met by our extremely well-informed *Blue Badge Holder Guide*, Barbara Askew.

Nothing was too much trouble for Barbara who did everything possible for the group to have a very memorable time. Barbara has been a Windsor Guide for over thirty (30) years and was invited to attend the *Royal Wedding* of Prince Harry and Meghan Markle in May 2018.

We scattered for morning refreshments and met up to make our visit inside *WINDSOR CASTLE* to view the eighteen (18) *State Apartments* and *Semi-State Rooms*. We were given as much time as we needed to visit every room open to the public and were very, very lucky during our visit as Meghan Markle's beautiful *Wedding Dress*, with its extremely long train embroidered around the edges, was STILL on show which was supposed to have ended in January.

We met up after lunch at 2.30pm rejoining our coach at the top of the hill as the lift at the coach station was out-of-order making it somewhat difficult for some of the group.

We took an exhilarating look at the *Royal Landscape* including the beautiful views of both sides of the *Long Walk*. We rounded off this memorable day with a visit to the *WINDSOR FARM SHOP* where the Queen sells produce from the *Royal Farms*. Here, everyone treated themselves to tea and cakes in the Café before our return journey home where we arrived slightly earlier than scheduled at 7pm. A TERRIFIC TIME WAS HAD BY ALL.

Thanks are due to our incredibly knowledgeable Guide and to our excellent coach driver, Jan Goody, for a safe journey there and back.

**THE ROYAL BOTANICAL GARDENS, KEW
Tuesday 21st May 2019**

FULL PAYMENT DUE

It has been many years since I visited *KEW GARDENS*. When Barrie came up with the idea, I jumped at it as several friends also said the exact same thing. Then I ran into another friend in Huntingdon who said that she had made a visit in 2018 ...and it was AMAZING! So with this in mind I am offering this wonderful visit on *Tuesday 21st May 2019* with a departure time from the Great Stukeley Village Hall at 8am PROMPT.

We have thought out this trip and we are offering KEW'S Hop On/Hop Off *KEW EXPLORER* service (which usually has to be paid for separately) INCLUDED in the cover price. This will be helpful to everyone particularly those with mobility problems. The *KEW EXPLORER* is a 72-seater road train which takes a circular route around the Gardens. The driver provides a commentary and makes a number of stops so that you can choose what you would like to explore. The road train is powered by Calor Gas to minimize pollution.

Also INCLUDED in the cover price are MORNING REFRESHMENTS, your coach trip to and from KEW and a tip for our driver.

FULL PAYMENT DUE: Please note that full payment, IN CASH ONLY, must be received by me personally NO LATER THAN 5PM ON THURSDAY 7th MARCH 2019. CORRECT PAYMENT of £ 46.50 per person would be greatly appreciated. Please be thoughtful and call me first to arrange a mutually convenient time to drop-off this CASH PAYMENT at my home.

PLEASE TAKE YOUR RESERVATIONS SERIOUSLY FOR THIS DAY TRIP AS I EXPECT YOU TO FOLLOW THROUGH WITH FULL PAYMENT.

Federation Day 17th April – places are to be booked with Walden Road.

Could we host a walk – we would need to have someone to lead the walk and also we would have to provide a light lunch. Federation funds are available to defray costs. Some WI's never attend federation events, lets keep up our good record.

There are still spaces available at the Science Lunch – Forensics and Poisons.

Could anyone volunteer on the Board of Trustees on an ad hoc basis as they are short of members?

New members are being voted onto the National Board of Trustees – our members were all happy for the committee to vote on their behalf.

We have been asked by the MS Society to help with light refreshments 13th April 12-4. pm. We will also have an opportunity to recruit new members.

Speaker

We were entertained by a wonderful selection of songs from the St Neots Jewels Choir. Jennifer Talbot gave a vote of thanks.

GRACE FELLOWSHIP BAPTIST CHURCH

GOD LOVES YOU AND SO DO WE

SUNDAY WORSHIP @ 11 AM

We are an international group of believers worshipping Jesus together. We might be small, but we have big hearts for Jesus. Our mission is to Glorify God, Transform our Community, and Reach the World with the Gospel of Jesus Christ. We believe that God has called us love Him and to love one another. If you are looking for a church home, or just somewhere to worship on Sunday, we hope to see you. If you need more information, please check out our website @ gfgg-baptist.org.

The second Saturday of each month we host a men's fellowship breakfast. Please join us for a meal, discussion, and time of fellowship.

If there is any way we can help of if you need to speak to someone please call Pastor Eric Gren at 01832 293143 or email at egren921@gmail.com.
