Great Stukeley Playing Field Project.

As many readers of the Stukeleys Parish Magazine may be aware the Stukeleys Parish Council (SPC) have a proposal to develop the playing field in Gt Stukeley from its current state of football pitch and children's play area into a 'pocket park' and recreation area for the benefit of all ages. The project to be funded using Community Infrastructure Levy (CIL) monies.

This is an entirely separate plan to that of a Country Park on land surrounding and beyond Prestley Wood, proposed by developers Urban and Civic as part of the Alconbury Weald in conjunction with SPC.

We have put out for tender to prepare a landscape strategy plan for the 3.8-acre site suitable for planning purposes, with a project brief to include:

A Footpath / Dog walking area with disabled access

Basketball practice area / Childs football kick around area

Exercise points / Play equipment

Seating / quiet area / BBQ zone

Tree planting and Boundary enhancements.

As the project takes shape, we will keep regular reports and updates in the magazine and welcome any input from readers.

Cllr Tim Close

on behalf of SPC.

We will be pleased to collect this year's subscriptions - £10 per person at the meeting!

Graham Campbell will give a presentation on the importance of the valley of the River Great Ouse and the work of the Great Ouse Valley Trust.

The Trust promotes the conservation, restoration and enjoyment of the landscape, wildlife and heritage of the Great Ouse Valley in Cambridgeshire.

Within Cambridgeshire there are six sites of Special Scientific Interest (SSI), two Wildlife Trust reserves and 24 County Wildlife sites and a large RSPB reserve at Fen Drayton. The area is contiguous with the Ouse Washes - a site of international importance for wildlife.

There are also over 700 Listed buildings including more than 25 Grade I and II*. The National Trust owns Houghton Mill, the last working watermill on the Great Ouse. Ancient churches, medieval bridges, manor houses and picturesque thatched cottages in the market towns and villages are part of the area's historic interest and charm.

Great Stukeley Flower, Garden & Craft Show 2020

Our annual show this year will be held on **Saturday 1st August**, it has been well supported in the past and we hope to see more of you this year. So, make a note of the date in your diary for this popular and exciting community event.

So, firstly we are seeking gardens to enter the **Best Spring Garden** competition entry is free. So, anyone interested in entering please don't hesitate in getting in touch. You can contact me on **07835630559** or Sylvia Reynolds on **01480 458442**. Judging for the Best Spring Garden will take place in mid-April (or earlier depending on weather). To clarify on who can enter their garden, ideally the garden should be your own work. But we understand some people need some help in their garden i.e. lawn cutting or hedge cutting due to health or age. All we ask is that you make us aware when entering, and also when your garden is being judged.

If you have any questions, please don't hesitate to get in touch.

Letters to the Editor

Dear Editor,

Re: The Southern junction of Ermine Street and Church Road:

Some weeks ago, I wrote to you pointing out the dangers of this junction. Since then I understand there have been at least three serious crashes there, involving the attendance of ambulances and police cars.

On the Magazine front cover there is a photo which I hope illustrates the problem.

The well-intentioned Traffic Calming measures have unfortunately not been well implemented. Traffic heading North from Huntingdon, up Ermine Street, assume unsurprisingly, but incorrectly, that they have the right of way at this junction. After all they are on what has hitherto been treated as an important road, Ermine Street.

Church Road, on their left, appears like an insignificant minor road, over which they surely have the right of way.

The signs there do little to correct this impression. They say, « New Traffic Layout Ahead », « 30MPH » and, on the road, « Slow ». There is no indication traffic should stop, and look left, except, painted on the road, at the junction, there is a white line across their path, which they are only able to see when they are upon it.

Their sight lines to the left, up Church Road, are limited, because it curves away after a short distance, walls and gardens hide any oncoming traffic.

On the other hand, traffic coming down Ermine Street from the North, do benefit from a « Give Way » sign. One wonders why such a sign does not exist to give guidance to traffic from the South. Apparently, the Parish Council are well aware of the dangers of this junction, but despite using their best endeavours, contacting the people who installed the signs and markings, have been frustrated in getting an improvement.

Just as a result of casual observation I have seen vehicles drive straight across the junction from Huntingdon, at speed, and obviously not taking care to see whether traffic is approaching from their left. My experience is shared by others.

I regret that unless the Highway Authority make appropriate changes a serious accident is just waiting to happen.

I gather the County Councillor for our area is one Mr Rogers. May I suggest readers of this article combine to urge him to get the Highway Authority to act?

I am not sure of the best way of combining to this end - perhaps someone with better internet knowhow than me could suggest a method?

Yours sincerely,

Philip Hobson

As a frequent visitor to Great Stukeley from Canada, may I suggest an uniquely Canadian Three way stop sign at the dangerous intersection in Great Stukeley as a possible solution? If three cars all stop at the same time the first to stop proceeds with caution and the others follow in turn.

ROYAL AIR FORCE MUSEUM: HENDON

Tuesday 21st April 2020

“A trip from the past, through the present into the future”

Preparing for our exciting trip on Tuesday 21st April 2020 Barrie and I visited the RAF MUSEUM. From the warm reception we received we are confident that they will make our trip a very informative visit.

There is much to see and discover during our visit. The Museum offers several unique opportunities to “get up close & personal” with the aircraft:

The Cockpit Tour: A once-in-a-lifetime experience sitting in the cockpit of a Spitfire Mark 16. Runs daily from 11.15 am-4.30 pm. Book your time slot on the day, £10 per person.

Flight Simulator: Seats one (1) per flight with individual joystick & throttle, immersive and interactive. £6 per flight. Book your time slot on the day.

4D Theatre: Cutting edge computer animation with dynamic seating and special environmental effects.

- *Red Arrows:* Aerobatic display, 6 minutes
- *B 17 The Mission:* “Kalamazoo Girl’s” raid deep into enemy territory, 10 minutes. *Available on request
- *Ravine Race:* Navigating through death defying canyons at supersonic speed, 5 minutes. *Available on request.

Price: £ 5 per person for each film, booked on the day.

Virtual Reality: “Immersive History, Operation Chastise-The Dambusters Raid”. Painstakingly recreated with crew accounts & crew communications with scenery of the Ruhr Valley and the Mohne Dam making it as life-like as possible. (This is VR so please check your medical suitability- for example wearing fitted medical devices, pregnancy, wheelchair use, photosensitivity & depth perception). Time 10 minutes, £10 per person.

These charges are NOT part of the cover price and are payable directly on the day at Hendon and are used to help to fund the Museum.

The cover price per person for this outstanding opportunity is just £ 42.00 which includes your trip by coach to and from Hendon, a tip for your coach driver, tea or coffee and a Danish pastry on your arrival and a Cream Tea at the end of your visit.

Please plan your arrival on the day of our visit at the Great Stukeley Village Hall for 8.00am as we will depart PROMPTLY at 8.15am and return to the Stukeleys’, depending on traffic, by 7.30pm.

I only have a few tickets available so please let me know AS SOON AS POSSIBLE if you would like to be a part of this fascinating visit.

SPENCER HOUSE & THE STAFFORD HOTEL
Monday 8th June 2020
Unforgettable Moments in Stunning Surroundings

THE STAFFORD HOTEL, St. James's Place was founded as a hotel in 1912 but its origins go back to the 17th Century when its buildings were private residences.

During 1850-1912 the house changed hands many times becoming the *Richmond Club Chambers*, *Green's Private Hotel* and *St. James's Palace Hotel*. *The Stafford Club*, originally housed in number 18, was added in 1886 and in 1912 the hotel was extended to include number 16...and THE STAFFORD HOTEL was born.

During the Second World War THE STAFFORD HOTEL served as a club for American and Canadian Officers. This led to the formation of the *Better 'Ole Club* whose membership comprised guests recognized for services beyond the call of duty to THE STAFFORD. One of its most famous members is *The Prince of Wales*.

In 1947 Costain, headed by Sir Richard Costain, purchased the hotel and sold it to Trafalgar House to complement their ownership of THE RITZ and Cunard Cruise Lines in 1985. THE STAFFORD HOTEL was finally purchased by Britannia Hospitality in 2009 and it became part of the Kempinski Hotels Collection in 2010.

Following our eight (8) State room tour of SPENCER HOUSE we will "cross the street" to take *Afternoon Cream Tea* consisting of Homemade and plain raisin scones, seasonal Cornish Clotted Cream with your choice of tea or coffee which will be served in THE STAFFORD HOTEL's beautiful *Sutherland Room*. This will be preceded by an exclusive "behind the scenes tour" of their 300-year-old *Wine Cellars* and a short history presentation on THE STAFFORD HOTEL.

The cover price for this superb visit is just £59.90 per person.
