## THE STUKELEYS PARISH COUNCIL NEWS

Parish Council meets 1<sup>st</sup> Monday of the month, and usually does not meet in August, but this year due to planning applications to be considered there was an extraordinary PC meeting in August. Also, the Parish Council met in September and the next planned PC meeting is on 3 October 2016. Please come along and have your say at the open meeting which starts 7.15pm on the night. The Parish Council also held an extraordinary PC meeting on Mon 19 Sep 2016 to co-opt 2 new Councillors and address other business.

### Applications discussed at 15 Aug 16 Extraordinary PC meeting:

- i **Alconbury Weald, Ermine Street – 16/01445/REM –**  
Submission of reserved matters (access, appearance, landscaping, layout and scale) in respect of the construction of a primary electrical substation, new landscaping, highways works and ancillary works.  
Following recommendation from the Planning Committee it was **RESOLVED** to support the application as it was part of the overall infrastructure improvements for Alconbury Weald.
  
- ii **Alconbury Weald, Ermine Street – 16/01329/REM –**  
Application for approval of appearance, access, landscaping, layout and scale in respect of the construction of 165 dwelling, pocket park, associated highways, landscaping and ancillary works.  
Following recommendation from the Planning Committee it was **RESOLVED** to support the application and the quality of the design and detailing. There were no other concerns.
  
- iii **Alconbury Weald, Ermine Street – 16/01101/HZC –**  
Hazardous Substance Consent: Proposed storage of up to 49 tonnes of ISO Pentane (P5a Flammable Liquid – Category 1). The Parish Council's Planning Consultant advised that the license application was being made following the grant of REM for the erection of the IKO building earlier in the year. The application was not strictly a planning matter and was made to HDC for consent to store a hazardous substance within the site. The location was remote from new residential areas and was to be in a location where the manufacturing of IKO had been previously approved- presumably the B2 elements of this were known at the time – not sure hazardous substances were mentioned.  
For the limited information in the submission it was understood the ISO Pentane was a highly flammable liquid used in the manufacture of foam packaging. It was proposed to be stored in a bespoke designed location.  
Suggested comments for the Parish Council to submit were;

provided that the hazardous substance was stored in properly designed and managed environment then no objections to be raised. The recommendation for the Planning Committee and the Parish Councils Planning Consultant comments were considered and discussed. The recommendation for the Planning Committee was not supported and after discussion it was **RESOLVED** to recommend refusal as the Parish Council was concerned about the storage, processing and handling of hazardous substances on Alconbury Weald and lack of information that had been provided to the Parish.

- iv Alconbury Weald, Ermine Street – 16/01546/FUL –**  
Construction of a 13,287 sqm. Building comprising B1(A), B1(B), B1(C) and B8 uses, highways works, car parking, landscaping, lighting, minor ground remodelling and associated works.  
Following recommendation from the Planning Committee it was **RESOLVED** to support the application and the quality of the design and purpose. There were no other concerns.

#### **Applications discussed at 5 Sep 16 PC meeting:**

- i Land East of Steve’s Private Hire, Ermine Street – Town & Country Planning(General Permitted Development)(Amendment) Order 2001 – Proposed telecommunications installation upgrade and associated works.**

Recommend Approval

SPC is pleased to see 4G mobile upgrades extend out to the Stukeleys.

**RESOLVED to recommend Approval.**

- ii Champagne and Seafood Bar, Huntingdon Racecourse, Thrapston Road, Brampton – 16/01583/FUL – Extension of Seafood Bar to form Owners & Trainers Lounge**

Recommend Approval

SPC recognises that businesses need to develop and grow.

**RESOLVED to recommend Approval.**

- iii Land South of 10 & 12 West View, Great Stukeley – 16/01597/FUL – Erection of two dwellings.**

Recommend Refusal

Vehicular Access is insufficient due to poor road construction, width and road joining with Church Road; particularly to accommodate an additional 4 vehicles.

### Further to Mr Redmore's comments:

As a mobility scooter user who regularly uses the footpath mentioned by Mr Redmore in the September issue of The Parish Magazine, I wholeheartedly agree with the comments he made.

It really is most unpleasant to encounter these piles of horse dung, which tend to lay around for quite a long time.

The cold weather brings an additional problem - the dung solidifies and becomes like boulders, which make my journey even more hazardous. I hit one accidentally on one occasion which caused my scooter to swerve, worrying on such a narrow path, close to traffic.

So, come on riders, do what you need to, and clear up after your horse - or buy a manure catcher!

### A date for your Diary:

Further details will appear shortly on notices to be displayed around the community and also in next month's edition of the Stukeleys Parish Magazine."

## **Great Stukeley Park & Football Pitch**

### **By Louise Blencowe**

I often go up to the Great Stukeley park for a break and whilst it is relatively peaceful and a nice enough place to just relax and spend some time alone and not just with the added privilege of a children's play area I feel that the park is rather a bit bland, you have two benches under damson trees and you've also got this pagoda type shelter but the rest is basically just all pitch area. I know that a lot of the space there is used for sports and for just general recreation but I feel the rest of the field could do with something more scenic, to look a little bit nicer, maybe something like a flower bed or a pond or some other environmental accessory such as beautiful fountain although that might be a bit over the top if you're considering the cost! I also feel that there are not enough benches either, there are many parts of the field that are unused and could be put to something useful or environmentally friendly. I had an idea for a wildlife reserve area as we seem to have a variety of different species, not just talking birds but butterflies, insects, rabbits, pheasants even moles!

I also think that it would be good to have a smoker's bin or a box instead of stubbing it out on top of that one bin near the pagoda seats or on the benches of the ground. I know a lot of people go there and have a smoke and sometimes you can see cigarette ends all around, not very pleasant but then again I think that if people want to smoke they should dispose of it safely in a special cigarette bin or box whichever is best, but just stubbing the thing out on top of a rubbish bin is disgusting as you can never be too certain the fag is out or still smouldering, and making the bin all dirty. And I have also even witnessed people throwing them in the bin after finishing (Hello Fire Hazard!) I guess some people just don't think and whilst it would be in some ways better off that it be a no smoking park I can completely understand that the habit is relaxing and helps people wind down, as long as they're not smoking in the vicinity of children or adults or smoking weed (not that I've ever seen anybody smoking grass!) Then at I don't believe any harm is being done, it's about being responsible just like with everything else, picking up & putting the litter in the bin, drinking within the recommended units, looking right and left when you cross the road and that includes having a cigarette and snuffing it out completely and disposing of it in the recommended place to put it in.

I'd be really interested to hear what other people's opinions are on this.

# LITTLE STUKELEY VILLAGE HALL

## Beer Festival and Bingo

In the last few weeks we've had two events in the Hall, both in support of St Martin's Church in Little Stukeley. The first event was held on a beautiful summer day which saw many villagers, family and friends enjoying a range of local beers accompanied by a live Jazz band, nice! The day was a tremendous success and it was a pleasure to be outside enjoying the weather and a tasty BBQ. The second event was a family Bingo evening and was held early to allow children to participate; Sally Smith was given great support from many of them (in some cases whether she liked it or not!) and she ensured everyone enjoyed this fun evening. As always these events are supported by many people and we are very grateful for your participation and upkeep of the church. Moreover, it's always a pleasure to say thank you to those that help to make these events happen, including Jocelyn Kerr, Camilla and Heath Payne, Sally Smith, Anne Owen, Sue Pond and Philippa Larke, once again a big THANK YOU to you all (apologies if I've missed anyone).

## Stukeleys 2015 Flower Show - Trophies

I would be grateful to all of last year's Flower Show Winners if they would return their trophies to Keith Winter in 4 Sanders Close at their earliest convenience.

## Hall Hire

If you wish to hire the Hall for your own events Philippa Larke (07711 786505 or [Plarke@hotmail.co.uk](mailto:Plarke@hotmail.co.uk)) would be pleased to hear from you and she'll talk you through the arrangements. You can also find us on Facebook by searching for Little Stukeley Village Hall and you can message Philippa from there too.

## Daises Montessori Nursery School

Unfortunately we have had some damage occur to property belonging to the school. I would like to remind everyone that the school fenced off area and equipment therein is private and not a village asset. Please respect the property of the school both inside and outside the hall and refrain from entering the fenced off yard.

## Next Events

Our calendar of events is shown below, watch out for updates. I'd be delighted to hear your ideas for any future events and I look forward to seeing you in the Hall. Don't forget we run our Social Club Bar every Sunday 1PM – 2:30PM, it's a great way to meet your neighbours and fellow villagers. For membership of the Social Club please speak to Keith Winter (01480 450 656 [keithwinter2@sky.com](mailto:keithwinter2@sky.com)) who will be pleased to make the necessary arrangements. As you can see we have agreed the dates for both the Burns Supper and the Summer Ball, if you wish to assist in arranging these or any other event then please do contact me and I'll put you in touch with the appropriate person. With Autumn here (despite the lovely recent weather) we are planning the next events, you will see a flyer for the Fireworks and Bonfire Night elsewhere in the magazine as a reminder, we'll be holding that event on Terry Pinner's field behind Sue Pond's house as per last year. I would also like to gauge interest for this year's New Year's Eve party, I know it's still a few months away but I'd be grateful if you could let Sally Smith (01480 450356 or [sallysmith101@aol.com](mailto:sallysmith101@aol.com)) know of your intent to participate.

## THURSFORD'S CHRISTMAS SPECTACULAR 2016

*Sunday 20th November 2016*

In October cast members arrive at THURSFORD beginning a hectic month of rehearsals. Lighting and sound desks are programmed and costumes fitted which are all part of THURSFORD'S preparation for 2016's exciting show. The transformation of the main hall from a museum with 300 seats for summer concerts into a 1,471 seat theatre takes a team of 23 people to move the Steam Engines, Organs and Fairground Attractions and to put up decorations, lights and sound equipment.

The arrival of the performers gives a great boost to the local economy, particularly in Fakenham and Holt-where they stay in local accommodation and use shops, the cinema and go bowling. With their arrival in October and staying through to the last performance on 23rd December the performers will do much of their Christmas shopping in the area. The family video, shown during the show, is shot in October and it is no longer strange to the THURSFORD performers to decorate Christmas Trees or cook a Christmas Dinner in October!

Payment for party groups is received in October which means that the office staff deal with non-stop telephone calls from customers looking for late bookings. We are the lucky ones as I start very early organizing this trip by requesting tickets on the first working day in January. I have already paid in full and received all my fifty-seven (57) tickets for this year's show. PLEASE NOTE that your tickets for this year's CHRISTMAS SPECTACULAR will be given to you ON THE DAY of the Show-*Sunday 20th November 2016*- for all those booked in.

Please plan your arrival at the Great Stukeley Village Hall by 9.45am as our coach will be departing PROMPTLY at 10.00am. Your ticket price, including the coach journey to Norfolk and return and a tip for our driver is £ 53.50 per person.

## **Addenbrooke's Abroad – The Good Samaritan**

In the parable of the Good Samaritan (Luke 10:30-37) we are told to 'love our neighbour as yourself' as we learnt about the meaning of helping someone who is a stranger.

As our thoughts turn to Harvest Festival celebrations and we are reminded of all the good things God has given us and how fortunate we are. The parable of the Good Samaritan springs to mind of how fortunate we are and how simple acts can have a huge impact on strangers less fortunate.

Addenbrooke's Abroad, based at Addenbrooke's Hospital, Cambridge is a volunteer programme in which clinical staff volunteer their own time to provide specialist training and support to long term healthcare projects around the world.

One of these projects is providing lifesaving training and education in El Salvador to help reduce maternal and neonatal mortality rates.

Currently in El Salvador maternal and neonatal mortality is **FIVE** times higher than here in the UK.

Everyday mothers and babies in El Salvador die as a result of complications during and following childbirth. Most of these complications are either preventable or treatable and all these mothers need is access to specialist doctors and healthcare workers. It is this lack of specialist training which is one of the key reasons why so many women and their babies die or babies are left without a mother.

Such specialist care is often out of reach from the world's poorest women. Globally around 2.7 million new born babies die every year. In many rural areas of El Salvador there are only 4 doctors for every 100,000 residents.

Dr Sue Broster, Consultant Lead for the Acute Neonatal Transfer Service (ANTS), Addenbrooke's Hospital and Addenbrooke's Abroad volunteer explains the situation

"The medical staff are left to learn literally by trial and error, it is a tragic fact that nurses have been known to leave babies that they know are not breathing because they feel powerless to intervene due to a lack of specialist training. Imagine how it feels to go home at the end of your shift knowing that babies have died because you have not been able to give the appropriate care."

Addenbrooke's Abroad is helping to change this frightening statistic by recruiting a multidisciplinary team of volunteers who work with the local hospitals to deliver an annual congress in El Salvador. The annual congress provides specialised practical training in how to manage and treat obstetric and neonatal emergencies to healthcare staff from across El Salvador.

As we start celebrating Harvest Festival, please remember the parable of the Good Samaritan and help Addenbrooke's Abroad volunteers make a difference today, tomorrow and forever by making a donation to help a stranger.

### **How your money can help make a difference:**

£20 towards the cost of travel insurance for one volunteer

£30 towards the cost of accommodation for one volunteer

£50 towards the cost of a return flight to El Salvador for one volunteer

All conference and workshop costs are covered in country by the Ministry of Health and corporate sponsorship within El Salvador.

For further information or to make a donation to Addenbrooke's Abroad please contact Nicky Newton, Addenbrooke's Charitable Trust. Tel 01223 217757 or email [nicky.newton@act4addenbrookes.org.uk](mailto:nicky.newton@act4addenbrookes.org.uk)

## Being in Contact By Philip Hobson

As an, " elderly person ",  
I'm looking for something certain,  
Life, or death, who knows, how, what or cares,  
Which way the wind blows,  
See if I mind how to prepare, no one knows,  
If death is nearer that means maybe, an adored one closer,  
I'd go for that and gladly accept it,  
Our Saviour' s preaching if t'will assure it,  
Then if that's the answer, that's for me,  
But if no one knows, and it's obscure,  
then I, brave heart, like all humanity,  
suffer a world of heartfelt, heartache, and enormity.

If you need help with transport to any of the meetings just call Pastor Pete or Penny as above.

October has arrived the season of leaves turning to red and gold. Soon the trees will look bare, and the nights will be dark. It's a good time to stop and look at our cars. Are our lights all working, do we have de-icer? Are our tyres good, not forgetting the windscreen wipers? Well, that's sorted the car! The older ones, like Penny and I will get the flu Jab to protect us. We need to get our winter coats out ready to face the cold. Just as we try to protect ourselves so we need to be aware of those around us. I hope we all will keep our eyes open for others that may be alone or less able to get about. Can we help them? Is there some small thing that would make them a little more comfortable?

This is just being a good neighbour, but also we are encouraged in the Bible to show brotherly love to one another. There are many references to this thinking. I would like to share this one with you. The Apostle Paul writing to the Ephesians says in chapter 4 verse 32, 'We should be kind to one another, tenderhearted, forgiving one another, even as God has forgiven you for Christ's sake.' My prayer is that we all can follow what Paul has said. Please if you know of any one that needs a little help and you think that we can be the ones to give it just ring me on 01480 432207

God bless all

Pastor Pete
