Thank goodness for MAGPAS

On 4th February last year a Little Stukeley resident was taken seriously ill. The MAGPAS air ambulance duly arrived in the field behind Mill Close and the crew gave vital assistance. The resident was treated, taken to hospital (not in the helicopter!) and, after release, has continued to make a good recovery. A worthy cause to support!

"Magpas Air Ambulance is a charity which brings essential lifesaving care by land and air to patients in life-threatening emergencies in the East of England and beyond. Some of the UK's expert doctors and paramedics volunteer their own time to work with us. Magpas Air Ambulance is not a state-funded service and relies on generous public donations to continue saving lives. Since 1971 we've treated over 60,000 patients." (quote from the MAGPAS web site)

Hedges adjacent to Public Footpaths

Please could those of who live adjacent to public footpaths trim your hedges now that the bird nesting season has finished.

Thank you.

Stukeleys Parish Council

A Big Thank You

From Great Stukeley Village Hall Committee for all who attended and made cakes for the Tea Dance on 2nd September making it such an enjoyable occasion. We had a great deal of positive feedback and plan to arrange another next year so keep an eye out for the date.

Tower Appeal

Does anyone have a scaffolding tower on wheels which they could lend to Great Stukeley Village Hall Committee? It needs to be high enough to reach the small windows at the top of the hall which we need to coat in frosted vinyl to cut out the glare.

Update

A quiet couple of months on the event front has allowed the start of the improvement works on the village hall. We have upgraded the path, making the hall more accessible by wheelchair or those a bit unsteady on their feet. We have upgraded our storage at the rear of the hall, and improved the outside route to the kitchen. Finally, the curtains and blinds have been replaced. With more work to come at half-term, the hall is getting a much needed lift, and we look forward to seeing you there soon!

The LSVH Committee

Social Club Bar

We run our Social Club Bar on the 2nd and 4th Sunday of the month from 1PM – 2:30PM, it's a great way to meet your neighbours and fellow villagers.

Hall Hire

If you wish to hire the Hall for your own events Sally Smith (07500 220615 or littlestukeleyvillagehall@gmail.com) would be pleased to hear from you and she'll talk you through the arrangements.

Strength and balance classes help local lady stay stronger for longer

A major new strength and balance campaign is launching this International Older People's day to help people in Cambridgeshire stay stronger for longer.

After breaking a bone in her back two years ago, Margaret found that normal activities were extremely difficult. However, thanks to some simple regular strength and balance exercises at Brampton Memorial Hall, she is now on the road to recovery and doing the things she enjoys again.

The 74-year-old, who lives in Brampton, is now reaping the rewards of regular exercise after signing up in January.

Margaret said: "When I first broke a bone in my back, a simple task like ironing was agony. I saw an advert in The Brampton Parish Magazine for strength and balance classes and thought I'd give them a go. As a result, I am now definitely stronger, even my husband has noticed how my confidence and mobility have much improved. I can do simple tasks again that I once took for granted and also do the things I enjoy like gardening. I would certainly encourage all older people to give the strength and balance exercises a go to make sure they are getting the most out of life and stay stronger for longer."

Simple strength and balance exercises twice a week are proven to keep you stronger for longer, so you can keep independent and enjoying the great things in life, whether it's playing with grandchildren, shopping, socialising with friends or gardening.

For success stories and more information on classes and activities in Huntingdonshire visit

www.cambridgeshire.gov.uk/strongerforlonger

The Stronger for longer campaign has been developed by Cambridgeshire County Council working with local NHS health partners.

Fashion Show: Grand Arcade, Cambridge

Thursday 18 October 2018 7pm

Four years ago, following a routine mammogram I was given the shocking news that I had invasive lobular breast cancer. I was preparing for our son's wedding at the time and my first thoughts were "Will I be able to attend". Fortunately, they gave me a little time before surgery and so I had the best time ever at my son's wedding!

Addenbrookes Hospital saved my life and were brilliant throughout all the appointments and surgeries. As a "thank you" I have immersed myself in helping to raise funds for their Breast Cancer Unit. My first project was to star in a Utube video for Addenbrookes Charitable Trust which has since raised over £1m to help in specialised treatment research for the 10 breast cancers.

Through the Charitable Trust, I learned that another breast cancer survivor, amazing Natalie Emuss, had organised a couple of Charity Fashion Shows and was embarking on an ambitious one to be held in the Grand Arcade Shopping Centre, Cambridge. Natalie invited me on board and I am now about to model in a third fashion show at the Grand Arcade. Rigby & Peller are our main sponsor so we model lingerie and also clothes and accessories from a number of other stores in the Grand Arcade.

All our models are breast cancer survivors who brave the catwalk. They wish to raise awareness and the importance of checking one's self regularly.

It is a ticketed event including welcome drink and canapés, together with a raffle. We hope you will be able to join us for a fantastic, uplifting evening on Thursday 18 October. Jeremy Sallis, the BBC Cambridgeshire presenter, will comper the evening once again. So please come and have fun with your friends and family and at the same time support these wonderful ladies.

Tickets are on sale now on our new website which has been created by Clarity CB1
www.cambridgebreastcancerappeal.com

In memory of Becky Hadfield

This year's fashion show is dedicated to our dear friend Becky Hadfield who we lost in January 2018.

Becky modelled in our 2016 show and was a huge part of our breast cancer family. She was keen to raise awareness and continued to fundraise throughout

her illness. Becky will always be in our hearts.

Reflections: HIDDEN LONDON & the REGENT'S CANAL *Tuesday 11th September 2018*

My latest day trip HIDDEN LONDON & the REGENT'S CANAL was a really LUCKY trip. We were LUCKY with the weather as it was a beautiful day in London. We were LUCKY with our timing arriving like a Swiss clock in London ON TIME and, most important, we were extremely LUCKY with our incredible *Blue Badge Holder Guide* SEAN KELLEHER! Sean was well prepared for our day with all the facts and fascinating details on the buildings and people during our journey through the history of London.

Our thirty-six reserved (36) guests departed from Great Stukeley on time at 8.00am which allowed us to beat the traffic on our 83-mile journey and arrive spot-on-time at the *Museum of London* where we were able to take a welcoming mid-morning break.

Our gentle walking tour not only covered *Postman's Park* but also a fascinating history of *Bart's Hospital* and we moved through the *Tudor gatehouse* into the yard of London's oldest Parish Church-*St. Bartholomew-the-Great* (1123). Just before lunch we walked among the beautiful gardens and we were able to visit the little *Museum at Charterhouse* which had just been opened for the very first time since 1384!. *Charterhouse* was originally the largest London cemetery for victims of the *Black Death*(1348-9) and later became one of the oldest monasteries in London until dissolved by *Henry VIII*. A grand mansion was built on the site and here *Queen Elizabeth I* spent the first days of her reign

We rejoined our coach after lunch and journeyed through very interesting parts of London over to *Little Venice* to pick up our narrow boat for our cruise on the *Regent's Canal*.

After a fifty-minute journey among the narrow boats and the Georgian houses lining the canal, seeing the hidden mansions of *Regent's Park* and travelling through *London Zoo* we emerged at *Camden Lock* where we disembarked onto the cobbled and flagged yard to spend time in *Camden Market*. This gave us time for welcomed refreshments before our 5pm coach departure.

Sincere thanks for a terrific and informative day are extended to Sean Kelleher, our *Blue Badge Holder Guide*, and to our excellent driver, Doug Witt, who brought us safely back to Great Stukeley.

Ermine Street Environmental Enhancements

I assume everyone in the Stukeleys has now received the latest progress report on the Ermine Street enhancements that are designed to improve our quality of life and 'make the villages safer and more rural'. I particularly like the contradictory assurance that: *"The aim of the scheme is to REDUCE the number of vehicles on Ermine Street passing through the Stukeleys and to control any INCREASE along the route as a result of the new development."* So, are we to have fewer or more vehicles through the villages? Who knows. Clearly, Urban & Civic don't, but I think most of us do!

The document again mentions a transport hub at Alconbury Weald, but it is not clear whether the guided bus Route B will still pass through the Stukeleys. We need to know. Perhaps the Parish Council could find out.
