## Annual Outing to Cromer

Just over 30 members and friends enjoyed a traditional day at the seaside on 18th September at Cromer, enjoying fish and chips, ice creams and walks on the pier and beach. A beautiful warm and sunny September day with the Norfolk coast at its very best.

Many thanks to those who came and supported the Group. Unfortunately, numbers were down on previous years which means that we will make a small loss on the trip, so if we run one in 2020 we will need to look carefully at the ticket price.

### Advance notice of next meeting

I am hoping that the meeting on **Wednesday 20th November** will be a talk by Dr. Steve Sherlock on the archaeological finds unearthed by the A14 road-building project. That will be as usual starting at **7.30 pm in Great Stukeley Village Hall.**

## Local author celebrates new Book Release

This summer marked the release of the funny fantasy children's book: "The Wacky Wizard Wars" by local author Maxine Alan-Hart, and Christina Clarry.

This new book is perfect for young children aged 8-11 and will have them in stitches. The Wacky Wizard Wars stars magical heroes and heroines who take on mad, bad and outrageously daft wizards and witches. It is packed with non-stop action and adventure, full of zany animals, androids and drones to keep children turning the pages.

Local author Maxine is a veterinary surgeon with an interest in exotic animals. Having a huge sense of humour, Maxine enjoys writing fiction in her free time. Maxine first worked with Christina on her book "The Great Wizard Wars" published in 2017. The two writers found this collaboration so successful that they decided to make the co-authorship official and release a sequel: "The Wacky Wizard Wars".

Maxine takes inspiration from everyday life and work for her writing. You may have heard the origins for the idea of "gibber berry juice" in our local Stukeleys' Hotel!

"The Wacky Wizard Wars" has been a great success for the authors. Reviewers have called it "a great read for all ages", with kids "begging for the next chapter at bedtime". So Maxine and Christina have agreed to produce a third book to make a series! Aiming to be released in summer 2020, the authors are already working hard on the next installment.

Why not find out more about Maxine and her upcoming books at her website [www.maxinealan-hart.com](http://www.maxinealan-hart.com) Here you can sign up to Maxine's newsletter, find updates about media events and book signings, and find Maxine's contact details.

You can support your local author and bring a little magic home - take advantage of the discounted e-book price of £1.99 for "The Wacky Wizard Wars" from Amazon and all major bookstores now. It is also available as a paperback.

**ROYAL AIR FORCE MUSEUM, Hendon**  
**“Wonderful trip into the present, past & future”**  
**Tuesday 21st April 2020**

To give everyone as much time as possible to really enjoy your visit to the ROYAL AIR FORCE MUSEUM, Hendon on Tuesday 21st April 2020 I have changed the timing of the *Afternoon Cream Tea*. PLEASE NOTE that this will now be at 4.15pm. The tea will be served in *Claude’s Restaurant* in Hangar 6 and will include a choice of Tea or Coffee with a Scone, Clotted Cream and preserves: ALL included in your cover price of £42.00 per person!.

There is so much to see and enjoy during this visit including over one hundred aircraft on display. Among these exhibits is the *Spitfire*-a British icon-used by the RAF and Allied countries before, during and after the Second World War. Twenty-four variants of the 20,000 *Spitfire’s* (including the *Spiteful*, the *Seafire* and the *Seafang*) were built and produced in greater numbers than any other British aircraft. Nearly 60 remain airworthy and many more are static exhibits around the world.

! Enjoy *the Spitfire Experience*-sitting in the cockpit of a *Spitfire XVI!* [... more about this and opportunities to use the *Red Arrows* and *Typhoon* Flight Simulators and the *Virtual Reality* exhibits later!!!].

The public perceived that the *Spitfire* was the main RAF fighter in the *Battle of Britain*. However, the more numerous *Hurricanes* shouldered the main task of taking out the *Luftwaffe’s* bombers while the *Spitfires* went after their fighters.

Why don’t you join us on this very special trip into our past, present and future?

We will be departing from the Great Stukeley Village Hall at 08.15am PROMPT as we need to arrive at the Museum for our 10.30am appointment for refreshments and meet up with our Professional Guides at 11.45am-all included in the cover price.

Please be aware that I take your reservations very seriously. Please follow through with your full payment.

NOTE: The reservations for this visit are going extremely well so please let me know once you have decided to join us as coach seats are very limited and I would not like you to miss out on this super visit.

**NEW: An exciting visit to SPENCER HOUSE and  
THE STAFFORD HOTEL –Monday 8th June 2020**  
*“Unforgettable moments in stunning surroundings”*

I can tell from the large number of contacts that I have received over the past few weeks that this exciting visit is going to be incredibly popular.

Located in the heart of *St. James's, Mayfair*, SPENCER HOUSE and THE STAFFORD HOTEL are two of the capital's most historic and exclusive venues. They have partnered to create a seamless and memorable experience for you, your family and friends.

Overlooking *Royal Green Park* SPENCER HOUSE, the London home of the *Spencer* family, is recognized as one of the MOST sumptuous private residences ever built in London. SPENCER HOUSE is an ambitious aristocratic townhouse-one of the last which adorned Central London. Its *neoclassical* style is of unique importance in the history of British architecture. We will enjoy morning tea or coffee and biscuits on arrival served by their Butler followed by an eight (8) *State Room* private tour of SPENCER HOUSE.

Just a few steps away from SPENCER HOUSE, THE STAFFORD HOTEL is a haven of curated luxury and one of the last bastions of great British hospitality. THE STAFFORD HOTEL was founded as an hotel in 1912 but the buildings go back to the *17th Century* as private residences. THE STAFFORD HOTEL is home to a 380-year-old Wine Cellar, and I have arranged for a very special tour for my group. The Wine Cellars are thought to be the oldest in London and house over 8,000 bottles of the world's finest wines and Champagnes, many with rare vintages, as well as a selection of Armagnac, Port and Single Malt Wiskies-some dating back to the 1920's.

We will receive a talk on the history of THE STAFFORD HOTEL from the Management and will end our tour with the great British tradition of *Afternoon Tea*.

Visiting SPENCER HOUSE with viewing the eight (8) State Rooms with the professional guides and THE STAFFORD HOTEL for *Afternoon Tea*, a tour of the Wine Cellars and A history lecture, your coach to and from London and tips for the driver and guides is being offered at £59.90 per person.

NOTE; We have not been able to arrange a lunch break due to timing issues therefore you are invited to bring with you a packed lunch and drinks which you may eat on the coach.

PLEASE BE ADVISED that I take your reservations most seriously and I expect you to follow through with FULL PAYMENT once you have made your reservation with me.

## IN AID OF ADDENBROOKE'S HOSPITAL BREAST CANCER APPEAL

I am once again modelling for this amazing event to be held on 17 October at the Grand Arcade in Cambridge. It would be fabulous if you could support me. Show tickets can be bought online, together with donations, and I have books of raffle tickets.

I recently had a scare at what I thought was going to be a 5-year cancer free celebration. Addenbrooke's were so quick to get scans done and results back. Dr Cox phoned me on the evening before the Bank Holiday weekend to tell me I was in the clear! I did not have to wait 3 agonising weeks for my next appointment.

Last year we raised a staggering £11,125.57!

Thank you for all of your support!
